Beach Street CHURCH OF CHRIST
Ft. Worth, TX

To all the saints at *Beach Street*, with the elders and deacons:

Dear brethren,

We now have the first month of the New Year behind us. Deeply grateful for your prayers and fellowship as we begin the year praising God, reaching the lost, and serving one another.

Havana, Cuba January Trip Cancelled

A day after arriving in ***Mexico City*** on my way to ***Havana*** – I tested positive for Covid. Three days later I retested positive and had to cancel my trip to Havana. I will be planning a trip during the summer months and will update you later.

Strange things happen. I had no Covid symptoms prior to my trip and during the week as I remained stranded in ***Mexico City***. I attended Wednesday night with the ***Tacuba*** church where I was asked to preach. My lesson was based on the epistle of Jude – "The Visible Marks of False Prophets".

Minnie's Health

It is great to inform you that Minnie is doing well in her recovery. Thanks to your prayers, and those of many others, she has even surprised her medical team with such amazing improvement. She will begin physical therapy in the coming days. Every act of kindness has touched our hearts and added much to Minnie's courage and resolve. Minnie sends her love to all of you.

Santo Domingo, Dominican Republic – February

Plans are in place for me to be in the **Dominican Republic** the third week in February – mainly visiting and working with *Arcadio Mañon Ozuna*. Arcadio labors with the local church in ***El Mamón*** and ***Guerra*** – suburbs of Santo Domingo.

Finally –

Thanks for your prayers and fellowship as we continue our walk into the New Year. Please keep us in your prayers. Because of your love, prayers, and fellowship – many people hear the gospel in their own native language of Spanish. You are a part of their hope.

In the love of Christ,
Ruben C. Amador
