Nov2019 report

Dear brethren,
Hope all is well there.
About the congregation:

Most all are well now, cold outside as I write this.

Sister Dorthy Warren is doing well.

Sister Rachael Scheuerwman is doing pretty well. She hasn't been able to make services for several weeks due to work schedule. Her mom in south Tx is still not doing well healthwise. Please pray for Rachael.

I'm still having trouble getting in touch with sister Deb Westerman. Please pray for her.

No Visitors this month.

All other members seem to be doing well spiritually, especially with some of the extended family issues some are having (parent's health, grown children, jobs, etc.).

About to end our study on Sun pm and Wed nites on "Satan and Sin". Has been a very good study, and we all gained from it, especially me, as it caused me to dig into many scriptual words and phrases I hadn't spent much time on before . I tried to gear it toward daily decision making, and the need to look down the road at potential consequenses of daily decisions.

About Glenda and me:
Glenda is doing O.K. Still tiring very quickly but latest bloodwork was still good (all things considered). She's visiting with Dr. every 3 months nowShe still does as much as she can.We attribute the progress to everyone's prayers for her, so thank you all so much.

I've been in good health, so hopefully that will continue. I've been able to loose 25lbs this last year, so maybe the Lord will let me continue the work for several more years.

Physically and spiritually we and the congregation continue to do well. Again, thanks for your support and prayers.

We ask you to remember our country, as it is not looking good for God's people in the coming years. All we can really do is pray to God to help us in His work, come what may.

Nov 2019 support:
Midway.....$1500/mo
North Beach.....$500/mo
Weatherford.....$600/mo

I'm working on digital transmission of a new photo.

We continue to pray that the Lord's Word will spread.
Thanks again for your prayers and support.
In the Lord

David Reeves
