Last Saturday I had an informal with Iglesia Ni Cristo (INC) in Turbena, Calamba, Laguna to the house of Godsent's fiancée. The whole family became sympathizer that's why there minister got angry and asked for a debate. Christology was the topic. Oxford style debate, 5 minutes w/ 1 minute cross exam. The debate was stop abruptly by house's father w/c is the moderator coz the inc debater can't able to repute the Rm.9:5, he used the lampasa w/c is not in the Greek word, also the Jn 1:1-3 according to him the Logos (Word) is just a plan for Christ. But I told him, "its ok, let us read it as what you want. 'In the beginning was the Plan and the Plan was with God, and the Plan was God.' Therefore still God! But impossible that the plan become God! therefore wrong! Just think it over, the Word "Logos" capitalised inside the sentence therefore that is a proper noun. What is the proper noun? 'For the sake of audience only' It is the name of a person, place or things. It impossible that the things is neither creator nor the place? therefore Logos is the creator! In fact let us go to the begging. Gen.1:1 the creator is not alone. Why? the word God is Elohim plural form of eloah. In fact, in verse 26...let us make a man. Therefore the creator is more than one in person! according to him not elohim but Majesty the word that was used in Gen 1:1. my question is what time the word Majesty was used? he dont know.

I said according to Merriam thesaurus dictionary only on 1400 Ad, but Moses was exist 1500 BC. Therefore wrong! Aside from moderator decision to stop they were voluntarily quit.

After the debate, the brother in law of Godsent fiancée was agreed with us, but before he is against us.

Both the father and mother of Jasmin "Godsent fiancée" are deacons in INC. Hopefully they will obey the gospel too.

As to my working, brother Nestor and brother Gilbert "Bicbic" are my constant buddy buddy in spreading the gospel here in Lungos vicinity. Hopefully the others sympathisers will obey too.

We still meet some palta rason people but I just ignored them. Also some denominational preachers in our door to doors preaching, But just a slight argument only. Lots of people we met are "tulip" believers, most of them are closed and narrow minded. occurred the 2 Cor 4:4. What a pity peoples!...
