The brothers who make up the Church of Christ in different parts of the world, and collaborate to spread the gospel through this servant of God, grace and peace to you from God our Father and the Lord Jesus Christ.

REPORT

Family: Thank the Lord my whole family is in good health as well as the church members.

Evangelism: Work is continuing the distribution of leaflets with different themes in the content, but essentially inviting people to study the scriptures. This work is carried out in several neighborhoods of this city. Although there are no concrete results, not we fall low in the mood to proclaim the Good News to all who will listen.

PUTTING UP POSTERS IN THE STREETS: While painting signs I came up with the phrase: STUDY THE BIBLE. Such posters were put it in 8 cities located in 3 provinces. In the box below I put the cities, in some not only leave the poster but also distributed leaflets.

Some shared preaching in the church in Comodoro Rivadavia:

- Beware doctrine you hear - How can we glorify God - Two things you should look for in God: love and severity - What is the truth? - How Job resisted tribulations?

In my absence some Sundays preached brother Franco del Arco and Christian Alvarez.

Wednesdays met to study and pray as a church, some of the topics discussed were:
