REPORT for the MONTH of JANUARY
2016

I greet you in the name of our King and Lord Jesus Christ, hoping you are enjoying the blessings of our great and mighty God.

By the mercy of God we have seen end of the first month of this year, for his glory and honor and praise. For his willing spirit indwelling we can preach the gospel of power and salvation.

Grateful every day with our Lord for all his blessings, the month of January was a great help, we visited a number of people to bring them the gospel of salvation, some have not yet obeyed others prefer to keep listening.

This month I visit accompanied by other brothers to people who belong to a Pentecostal sectarian group, and we studied them for several hours, were about 15 people, for the glory of God 4 who are now our brothers were baptized and are gathering to study the word of God and every Sunday are gathering to participate in worship. I ask you stand praying for them that every day their faith is strengthened.

Wednesdays at 7 in the night, we have the Bible studies and prayers. The last Saturday of the month we meet in Prados del Sur with brothers from various congregations of the Church of Christ to share the word of God and to maintain the unity of the Body of Christ. The sisters gathered to share as well.

Saturdays we have studies with children and youth of our congregation and then sing hymns and spiritual songs.

We continue every Sunday faithfully obeying the command of our Lord to come together to worship him, thank God we always have good attendance.

I want to ask your prayers for each of us so that the Lord will help us every day to remain faithful and steadfast in the truth.

I ask your prayers for our faithful brother Jesus Inciarte for the Lord heal also for all our brothers who are experiencing physical and spiritual needs.

Thank you dear brothers for their help and support.

Goodbye to you your brother and servant. José Gregorio Diaz Leal.

Goodness and Mercy.
