Greetings beloved brethren, it is good to be in the meeting of the New Year, thank God for it. It is our desire that everyone is well, enjoying the blessings of the Lord and strengthened in difficulties. As for me, every day I am more recovered from the cerebrovascular event that happened to me last August. Gradually I came to the activities of the teaching of the Word. I give glory and thanks to God for being alive and continue to serve in his work and thank you very much to you for your prayers and support.

## THE WORK OF GOD IN MATURIN.

Tuesdays at 7pm, we have a Bible class where he is attending a group of men and women who come from various denominational churches, others are visiting us in worship services.

## NEW SITE FOR MARACAIBO MEETING CENTER.

After many efforts seeking another meeting place for the congregation of the center, which meets the need for meeting space and more accessible for people. God willing, in coming days we will be occupying this place.

**Visiting Barquisimeto.** This month we visited Medardo Escobar's brother from Barquisimeto who is a member of the church in downtown Barquisimeto. Medardo had the opportunity on Sunday 24 in the morning to visit the church of Rome and in the afternoon, the church in Barrio Bolivar. We appreciated the visit and the activities carried out by the brother Medardo.

## RADIO.

**Brother Medardo preaching.**

This month transmissions began on Thursday 15, so we arrived at transmission number 497 of the radio program "Faced with the Bible," by God's grace.

At the close of this newsletter, as always, I want to reiterate my gratitude for your prayers for my health (continue to pray), for moral support in my convalescence and for his involvement with me in the gospel. Until the next edition, meanwhile, may God richly bless you, goodbye.

In the love of Christ,

Antonio and family.
