Dear Brethren:

I am grateful for the opportunity to write to you again. I am grateful with every one of you, for your prayers and financial support.

Brethren, I would like to tell you that we continue with our weekly Bible classes with our brother Gerardo, and his wife Diana. The Bible class is every Friday at 8:00 P. M. In this class Sister Remigia's older daughter Alma Castillo is making the effort to be present. She start attending again in our church regular services, we are so happy for her. Sister Remigia is no longer in our congregation, she went to Alabama to visit with her son Paul and she may not come back to us. The good thing about it, is that Paul is already a faithful Christian, and here in Arlington she was very instrumental in the obedience to Christ of her daughter Diana and Gerardo, her son in law. Paul live one hour away from the congregation where he worship, I am not so sure but I think Brother Terry Partain is the local preacher.

My Bible class with Brother Miguel is going well, this class is every Sunday night, after our worship services in the evening. Brother Adrian have stop attending, only sister Mayte still trying to continue serving our Lord Jesus Christ, she is attending only on Sunday evenings. We are in contact with both of them and would like to visit with them, but till now haven't been possible. The last time we visited, he wasn't willing to talk to us, we will keep trying to help both of them to be strong in the Lord.

Brother Gerardo keep participating in passing the Lord Supper, leading prayers in our worship services and reading Bible verses every Sunday before the sermon. Brother Miguel is also helping in leading prayers and reading the verses. God willing, we will keep helping this young Christians with their desire to help and to grow spiritually. Gerardo's wife, sister Diana is very hungry to know God's word, every class she have question, she's trying to learn more because she want it to help with the children Bible classes.

Brethren, I would like to tell you that on January 24th, Isidra Lopez was baptize for the remission of her sins. She will keep attending and will keep worshipping with Pleasant Grove congregation. The brethren was here in Arlington after the evening service on Sunday asking our help to baptized Isidra. We was very happy to help, since last month my wife and I, just trying to help this congregation. God willing we will try to keep visiting with them twice per month.

I thank our God because I feel better every day, it's been six month already since my surgery. I am not 100% yet, but I feel much better. Thanks to our God my wife is also doing well, she have been a lot better, We are so grateful with God Almighty, and are grateful with all of you, because all your prayers in our behalf, we are better.

Please keep us in your prayers. God Bless you all.
