The brothers who make up the Church of Christ in different parts of the world, and collaborate to spread the gospel through this servant of God, grace and peace to you from God our Father and the Lord Jesus Christ..

REPORT

Family: Thank the Lord my whole family is in good health. My mother Luisa Mariman had a serious health problem in the airways, thank God she is already improving. The other brothers of the church are all well.

Evangelism: We continue to work the distribution of leaflets and putting up posters in several neighborhoods of this city. Always hoping to make new contacts.

Baptism in Comodoro Rivadavia:

Saturday 9th at 9:30 pm were baptized for the forgiveness of their sins, the young couple which I reported was studying at home, Hugo Ruiz and Norma Tito. Both are from the province of Salta (Tartagal city) and are here for work. But they think they will have to go back to his hometown in a few months.

Evangelistic trip to the city of Puerto Madryn (Chubut): On Saturday March 12 trip with brother Cristian Alvarez to the city of Puerto Madryn in order to see Carlos Ortiz. This man telephoned and had shown interest so we went to visit and was greeted with his wife Vanessa, very willingly. We were several hours talking about spiritual issues because of their interest answer all your questions and we told him the gospel of the Lord Jesus Christ letting him know what they must do to be saved. The woman heard after we asked to be baptized, but because it was too late and the husband's insistence postponed for Sunday. We went to see them at the agreed time, but the attitude with which we received was another, saying it was not what he was looking for. I was going

to read the material we left him and later called us. The lady submission to the husband is not baptism.

Trip to the city of Neuquén (Province of Rio Negro): From 24 to 27 April trip with Brother Christian to Neuquen, in order to see the two brothers who live there (Guillermo Landal and Gabriela Salas) and encourage them so that they begin to gather as a church, which were not doing. With the two of them we had the opportunity to study several issues on Friday 25 and Saturday 26: The Second Coming; Where do we go after we die ?; The character of Christ; As easily expose the gospel; The final judgement; The great tribulation. On Sunday 27th I coordinated a meeting at 10 am, on this occasion I had the honor to present the sermon: "Take heed therefore how you listen."

We also had the opportunity to speak the gospel with brother Guillermo's mom, who after explaining what the Word of God teaches and what happens in the church she attended was the condition in which he was, but not obeyed by cold issues and health at that time. We also take to place a poster inviting people to study the Bible.

Sunday 2 and April 9 informed that the brothers gathered to worship God.

Evangelism in Sierra Grande (Rio Negro): On the way to the city of Neuquen advantage to distribute literature, and two posters put up posters in the city of Sierra Grande, it is the first town out of the province of Chubut. For this work he contacted a lady I call on the phone asking if we were there and as it was to study the Bible. The people to whom we hand delivered literature were very receptive.

Also around the city of Comodoro Rivadavia, take leave literature in the bathrooms of service stations that were passing us, if perhaps some soul is in search of God have the opportunity to contact us.
