

4/10/16Mar2016 Report

Dear Bro and Sisters in the Lord,

About the congregation:

Most of the members are in good health, thank the Lord.

Your prayers are requested for the following:

= Bro. and Sis. Moore's daughter in law in Austin who had cancer surgery is doing very well. Thanks for the prayers.

=Lora Cotten's dad, Ron Doss, has started cancer chemo, but is having side effects.

Please keep him in your prayers.

We've had a couple of local visitors. One gentleman has been coming very regularly, and is a member who has been out of service for several years. We're working with him.

We enlarged our parking area some by adding rock to an area adjacent the concreted parking lot. That is encouraging for us.

Some who have been financially struggling are doing better now.

As mentioned previously, sister J'Nell Pate is getting married to bro Fred Barnes, who lives in Bedford and attends Westside in Irving, They will be attending in Irving. We will miss her, but we wish them well. (they are both widowers)

That's about all for the congregation.

About Glenda and me.

Glenda's allergies are about to wind down. Glenda hasn't had to miss much lately. Thanks for your prayers.

We enjoyed seeing ya'll for the meeting. Glad we were able to make it.

Nothing else new for now.

1ÿ Financial support beginning 2016 is as follows:

2ÿ North Beach in Fort Worth.....\$600/mo

3ÿ Midway Congregation.....\$345/wk

Again, we sincerely appreciate the support the congregation there has provided us as well as for other preachers. We pray for the Lord's work to spread in all truth in this area and yours.

May God bless the work there.

David Reeves
