

Greetings in the precious name of our Lord and Saviour Jesus Christ. Thank you so much for your fellowship in preaching the gospel. I am doing my best to the best of my ability to preach the gospel both to members and non-members. Below is my work report for the months of February to April, 2016.

Starting from 18<sup>th</sup> February, 2016 I started Bible study with Mr.Pashu Meya. He is from Baptist denomination. His wife and children are in Shillong while he is posted in another state. He is serving in Indian army. I continued the study with him till the second week of March. He knows what we studied was right and the church of Christ is the only true church built by Jesus Christ. But he has lots of second thought to follow the truth. Since he has gone back to his posting, I hope the true seeds sown to him will bear fruits in future. I am sending one picture of my study with Mr.Pashu and his wife.

On 5<sup>th</sup> March (Saturday), we had evening Bible study for all the youth in our congregation at one of the brother's (Pa Zam Neihzial) house. Myself and he taught the class.

Again on 3<sup>rd</sup> April (the Lord's day), after the worship service I conducted Bible study with Mr.Soson and another 6 brethren from our congregation also joined me. He is not yet member while his parents are already members in another congregation in Manipur (another state). I took lesson on Bible dispensation: The Patriarchal dispensation, The Mosaical and the Christian Dispensation.

Unfortunately, I was not well almost the whole month of April and could not continue my study with Mr.Soson and others till now. But I still could do the preaching all the Lord's day during these months except one Lord's day. I also taught adult Bible class, which we have before the worship service on the Lord's day. We are presently studying the book of Acts.

By God's grace the congregation members are doing well. I have weekdays house visit visiting all the members' house, have prayers and sometime short Bible study for encouragement. Once again, thank you very much for your support; I will do my best to send my work report regularly as you asked me. But sometimes I have limited access to internet which forbade me to send my report. Brother Thang Guite is now helping me to translate my work report in English.

Your brother in Christ,

Lhunkhothang
