May the blessing of God the Father Almighty be with everyone, I hope you are all well in the company of loved ones good health and blessings.

Thanks to our good Heavenly Father this month was a blessing in spite of the circumstances that we are going in our country.

We continue to work for our Lord in obedience to His Word and grateful for His mercy.

We continue with worship services each Sunday to fulfill the commandment left us by our Lord. We have had good attendance and visitors..

Every Wednesday we meet to study the word of God and prayer.

On Saturdays we continue with Bible classes for children and youth, we have had good attendance and responsiveness, is a great blessing to our congregation and to the community in which we live.

This month we have a new sister for the glory of God is called Emily Rivera, who has received with joy the salvation and forgiveness of their sins, in obedience through baptism.

Thank God this month I visited several congregations in different cities of our country, I was in Portuguesa state and Barinas where preaching

the word of God to edification, these congregations visit: Church of Christ in Barinas. Church of Christ in Guanare, Church of Christ in Biscocuy and the brothers of St. Augustine, to the glory of God was a great blessing and edification.

I Ask prayer for my family for the Lord God Almighty continue to give us health to go

ahead with the work in his vineyard.

I ask your prayers for our country, things here are becoming worse and there is much hunger in the village, are no food, and any foods that are achieved are expensive.

I ask your prayers for the health of my wife, my mother and brother Jesus Inciarte who receives dialysis for damage to their kidneys.

I ask prayer for the Church in our country every day to stand firm.

Thanks to our Lord and to you for yourr collaboration and support, my family and I are eternally grateful.

Love and longing in the Lord visit you and know you personally, I ask your prayers for this.
