REPORT FOR
JULY 2016

May the blessing of Almighty God be with you all, and they continue to give all things in abundance, it is our prayer that never lack anything especially in the spiritual life.

Thanks to our Lord we have had a month of victory and blessings in all things especially at work in the work of our Lord for His glory and honor.

This month we continue to work in preaching the word of God to reach more souls and we are also working so that there is a spiritual growth through the study of God's word always keeping the hearts and achieve a full life for our Lord.

As always we continue with the Bible studies and discipleship Wednesdays to discuss issues concerning sound doctrine.

We also continued evangelization, with visits to non-Christians to speak of salvation.

On Saturdays my wife and another brother continue with Bible classes for youth and children of the congregation and the community.

Every last Saturday of the month we continue with meetings of males

and sisters to strengthen us in the word of God and communion, thank God everything is edifying.

Also this month baptize our new brothers Nohemí Rondon, and their two children Ramon and Danilo.

We ask your prayers for their spiritual lives to keep going every day.

Our new brother Danilo died within 7 days of being baptized because of liver cirrhosis. We rejoice in knowing that departed with the Lord.

This month visit the brothers who congregate in San Juan to help in preaching the word of God, I accompanied Brother Diego Chaves of the Church of Christ in Guanares, Portuguesa state, was a great building.

We ask for your prayers for all the newly baptized who are receiving discipleship and new students of the word of the Lord that soon may come down to the waters and receive forgiveness of sins and the gift of the Holy Spirit.

The Lord added each day to his Church to those who are being saved. Our congregation is growing slowly numerically and spiritually to receive the spiritual food to grow in love and obedience to his word.

We also asked to include in your prayers our country so that all things will improve soon.

Thank you dear brothers for their collaboration and support, you are very important in our lives.

Your server: Jose Gregorio Diaz.

Kindness and Mercy.
