Dear Brethren:

Hello my beloved brethren, salutations from me and my family. I pray that our Lord is keeping you safe, and your labors in His name prosperous. I always will be thankful with every one of you, for your kindness, for your spiritual, and financial support.

Brethren, we continue having our weekly Bible classes with our brother Gerardo, and his wife Diana. We have this Bible class is every Friday at 7:30 PM. We continue to study about The Holy Spirit, His Personality and Works. We are making plans to start one more Bible class, the topic will be how to prepare a Bible lessons. We don't know yet what day, maybe another week day, or on Saturday.

Our Bible class with Alma Castillo has been on and off, she still struggling with her health. But she continue attending our worship services on Sunday morning and Tuesdays. Because of her health she also changed residence that seems to be helping her to feel better. We pray and hope that she will be able to get better and we can continue with the Bible class in a weekly basis.

My Bible class with Brother Miguel on Sundays is back on again, he have doing a lot better, he have his diabetes under control. He had find what challenge can be to learn to eat healthy, stop drinking sodas and have the courage to take care of his health. Brother Miguel and Gerardo, keep participating in passing the Lord Supper and reading Bible verses on Sundays. Victor, Fred and Juan Jr, are also doing the same.

Sister Mayte and Brother Adrian continue missing a lot of services, they keep attending only once per month, on Sunday evening or on Sunday morning. My wife and I continue the communication open with her, Brother Adrian is not showing us any interest in wanting to be a part of the Lord's church. They are a good family with three small children that require godly guidance, but Adrian just don't see that.

Sister Olivares continue attending on Sundays, morning and evening, she is bringing her five children with her. Her husband Jose stop attending completely, sister Olivares would love that he continue visiting but is not what he wants.

Alfonso Cordova is back visiting us again, our class is going well. One week our class is on Thursday and other week is on Friday.

I would like to tell you that my wife and I are trying to keep visiting with the Pleasant Grove congregation once or twice per month if possible. Brother Albert Lopez is also helping sometimes with the Wednesday night Bible class. He worships with the West Dallas congregation. Brother Alberto Barrera from the Flower Mound congregation visit them only occasionally.

Finally Brethren, we are ready for our last gospel meeting of this year. God willing, Brother Jesus Gutierrez from the Wafer congregation at Pasadena, Texas will be here on October 7-9. I am sure that Brother Gutierrez would help us a lot with his work.

Please keep us in your prayers. God Bless you all.
