Greetings dear brothers and sisters, we thank God that so far kept us in life and in faith, and has given us the chance to communicate. For now we are being played in this area of the Caribbean, for the "backlash" storm "Matthew", though not come upon us, for three days, while away from the area, we will be receiving its effects: winds of a certain intensity , thunderstorms and heavy rains that are driving up the level of rivers and streams filling (natural channels) in the mountains. We pray that this time does not affect people and property.

My brothers hope you are well, under the shelter of the Lord.

**THE WORK IN MATURIN.**

With the help of God we go forward, serving and helping, doing the work of God, with His help.

**Evangelism.** We have started a new evangelistic Bible class home of some people who have been visiting us in the church meetings.

**Picture of the Bible class. From left to right: 2 children of the family, Lenny González, the young Diego González, the sister. Omaira Lucart and your servant.**

**In this picture we have from right to left, 3rd from the sister. Virginia, from the church in Barquisimeto, visiting here.**

**Visits in Maturín.** This month we had visiting with us in Maturin brothers from Barquisimeto and Carcas. Virginia and Mercedes sisters from church in Barquisimeto. Glesmary and Douglas Bello from Caracas. They spent several weeks in Maturin, and had accompanied us in the church meetings in Maturín center.

**Radio.** This month we have reached the radio program "Facing the Bible" no. 523, by the grace of God. We have been broadcasting some subjects widespread concerning sectarianism, with the aim of explaining to the audience what the Scriptures actually say, which has generated a positive response from listeners. This month we completed a short series about "the 144,000 sealed" and started another series about the "millennium". New listeners have made statements thanking us for the biblical orientation.

#### **PRAYERS FOR HEALTH.**

**Information about the health of some brethren who solicit our prayers.**

**Erika Granados** Very good news sister. After receiving a new treatment therapies, it has raised quite recovered. We continue to pray for her and thanking God for his recovery. We recall that she was diagnosed with fibromyalgia. He was previously diagnosed with Guillain-Barre syndrome. Erika is a member in Maturín center.

**Antonio Pérez.** The condition of this brother is the same, the receiving dialysis every three days. Remember that your case is that your kidneys stopped working. Antonio is a preacher in the Church of Christ in Ciudad Bolivar, Bolivar State.

**Gloria Benítez.** She has a stable situation, that is, no advances or recedes, only controlled by medicines. We recall that she suffers from an autoimmune disease known as Lupus, this causes much physical suffering, by now being staffed by doctors here in Maturin. Gloria, despite their struggle for health, she keeps good spirits.

We continue to pray for Sister Elaine or Helen (Elena). She has been receiving chemotherapy. The sister lives in U.S.A., she is the wife of our brother Ronald and mother of Gregory Roark Roark.

Finally, I am making progress in improving health, but please keep praying for me for my full recovery, which I appreciate wholeheartedly. At the close of this newsletter, I reiterate my gratitude to God and to you dear brothers, to participate with me in this work and for your prayers and communication. Again I ask your prayers for Venezuela, for there to be peace and quiet in this nation, and that we emerge from the crisis we are going through.

God willing, it will be until the next edition, meanwhile, God bless you richly, goodbye.

In the love of Christ, Antonio and family.
