**Dear Brethren:**

I salute all of you on behalf of my family, and the Arlington congregation. I pray that my letter find you doing well, and your labors in His name flourishing. I always will be thankful with every one of you, for your kindness, for your spiritual, and financial support.

Brethren, we continue having our weekly Bible classes with our brother Gerardo, and his wife Diana. We have this Bible class is every Friday at 7:30 PM. We continue to study about The Holy Spirit, His Personality and Works. Concerning the plans to start one more Bible class, it's hard to start with it. Brother Gerardo works from Monday to Saturday. This is something that we would like to do, but we just need to find the time, we will try to find the way.

God willing we will be changing our Bible class with Alma Castillo for Monday evening. She have been unable to do it in the mornings because she starting attending school. Look like Monday evening is the best time for her. She continue attending our worship services on Sunday morning and Tuesdays.

My Bible class with Brother Miguel on Sundays is going well, this Bible study is every Sunday nights. Health wise he is doing better, it's been hard for him but, now he have his diabetes under control. Brother Miguel and Gerardo, keep participating in passing the Lord Supper and reading Bible verses on Sundays. Victor, Fred and Juan Jr, are also doing the same. The Bible reading is every Sunday before the morning lesson.

Sister Mayte and Brother Adrian starting attending more, it's good to see both of them, hopefully they continue doing that in a regular basis. They was saying that they may move to Grapevine, if this happen it is a possibility that they start attending with the Flower Mound Spanish congregation.

Sister Olivares continue attending on Sundays, morning and evening, she is having lots of family problems. Look like her children all woke up at the same time, and she just feel incapacitated to control the situation. Her husband Jose is not helping much with them, he is all about work. She had requested our prayers and our spiritual support.

Alfonso Cordova is vanished from our lives, we haven't see him in about three weeks. We just don't what went wrong, he was very excited visiting with us and very happy to have a weekly Bible class. Now we just waiting to find out how he's doing. Hopefully we can encourage him to start again our Bible study, and maybe worship with us again.

My wife and I visited twice this month with the Pleasant Grove congregation, Brother Albert Lopez continue helping sometimes with the Wednesday night Bible class. We planning to keep going the much as we can, to encourage them to keep going forward, in our Christian race.

Finally Brethren, I would like to let all know that we had a very good gospel meeting with our Brother Jesus Gutierrez from the Wafer congregation at Pasadena, Texas. Friday night was very good and Saturday night was even better. We had to bring chairs from other rooms to accommodate our brethren. The support and encouragement from most of the congregations around where exceptional. We make several contacts, and one of them still visiting with us on Sundays. Her name is Jessica Carter, she let us know that, she would like to keep been inform about our future events, she also is interested in a Bible study. We are very happy and excited about this opportunity, please pray for our work.

Please keep us in your prayers. God Bless you all.
