Dear brothers and sisters, receive fraternal greetings in the love of Jesus Christ.

It is our desire that they be kept by Our Lord in every respect with their families.

Thank God, we no longer have tropical storms passing through the Caribbean Sea.

The hurricane winds that in these days are unleashed in Venezuela have origin in the political tirade that exists in the country. We thank you very much for your prayers for God to help us "to live quietly and peacefully" (1 Tim. 2: 2b).

## **THE WORK IN MATURIN.**

In this month, in addition to developing the activities corresponding to the Centro church, we have also been collaborating with the churches of Barrio Bolivar and Maturín Sur, helping in the edification, with the preaching. With the help of God, the congregations in Maturín have had their normal performance. No difficulty hinders the activities of God's work.

**Radio.** In this month we have arrived at the radio program “Frente a la Biblia” Number 527, by the Grace of God.

## **PRAYERS FOR HEALTH.**

**We inform you about the health of the brothers for whom we have requested prayer:**

**Antonio Pérez.** Brother Antonio was triumphant to eternity on the 4th of this month. Thank you my brothers for your prayers. This is what the Lord ordered.

**Erika Granados** Thanks to God, Sister Erika is very well, your prayers are her reward.

**Gloria Benítez.** In this month she had pain which was caused by the disease because it has not been possible to find the medicine she takes (Plaquinol 200 mg.-Hydroxychloroquine Sulfate 200 mg., Equivalent to 155 mg of hydroxychloroquine base. How wonderful it was that we could help her.

We have heard from Brother Gregory Roark, that his mother, sister Elaine or Helen (Elena) has been receiving medical treatment. The sister lives in U.S.A., is the wife of our brother Ronald Roark and mother of Gregory Roark.

**Finally, As for me, I am making progress in improving my health. I recently had a vision test, and the result is very good, after having gone blind, my vision has recovered enough, now I need new glasses with new ophthalmic formula. In the first week of November I will do an otorhinolaryngology exam to find out how my left ear can be helped and left with very little**

hearing. I may have to install a hearing aid. However, in other respects I am very recovered, grateful to God for his great mercy with this his worker, and very grateful to you who have been with me with your prayers in this convalescence.

**With the help of God, I will soon be as before, serving the churches and the souls in different parts of the country.**

At the close of this newsletter, I reiterate my gratitude to God and to your beloved brothers for participating with me in this work and for your prayers and communication. Again I beg your prayers for Venezuela, so that there may be peace and tranquility in this nation.

If God allows, it will be until the next edition, meanwhile, God bless you richly, farewell.

In the love of Christ, Antonio and family.
