***REPORT For The Month of  
DECEMBER 2016***

May the peace and blessing of our Lord and Savior be with all of you and all of you, waiting in the Lord for this new year to be filled with great blessings for all your children throughout the world.

Thanks to our Lord this year that ended was great blessings for our congregation many heard and obeyed the gospel of salvation, some left this earth and others persevered for the glory of God the Father.

Each Sunday we continue in worship service in obedience to the Lord's command.

On Wednesdays we continue to pray and study the word of God and evangelism.

On Saturdays, we continue the classes of the word of God with children and young people, thanks to God it is of great benefit since we can see great benefits.

I also inform you that our brother Jesus Incitarte died after struggling with his illness, thank God he knew his word. We ask your prayers for the Lord to comfort your relatives.

I want to ask for your prayers for our country so that the Lord can help us overcome so many problems and we can live quietly and quietly.

I ask for your prayers for my family and for my person so that each day the Lord gives us health and life to continue in his ways.

I also ask you to pray for the church in our country so that we are more united every day, many are going astray from the faith and we are worried that these things are happening.

I ask for your prayers for the new converts, for their spiritual strength, and for the new students of the word of God to be baptized soon.

I thank our God and you for your help and for your mercy, thank you, dear brothers and sisters.

Without more I say goodbye, waiting on the promises of our King and Lord.

Your server: José Gregorio Díaz Leal ..... Kindness and mercy.
