**Dear Beloved Brethren:**

Thanks to our God, I am here to tell you about the work here in Arlington, and also in D-FW. I pray that my letter find you doing well. I always will be thankful with every one of you, for your thoughtfulness, for your prayers, and financial support.

I like to let you all know that, January was a very good month attendance wise, we had several visitors in our assemblies, Christians from other places and personas from around here.

Sister Olivares continue putting a lot of effort to keep in been faithful to the Lord, but this had been very difficult for her. She is motivated to keep fighting because of Nathalie, Jose Jr, whom are Christians, and because Giovanni keep attending in a regular basis. She's facing a lot of problems at home. We suspect that she may suffer domestic abuse but, not only she denied, she don't let us help in any way we can, please have her in your prayers.

Our weekly Bible classes with our brother Gerardo, and his wife Diana continue going well, the class is every Friday at 7:30 PM. We continue to study about The Holy Spirit, His Personality and Works. Our Bible class with Alma Castillo continue on Monday mornings at 9:00 in our home. My Bible class with Brother Miguel on Sundays continue going well, this Bible study is every Sunday night.

Brother Gerardo continue helping in passing the Lord Supper. Gerardo and Miguel keep taking part in reading Bible verses on Sunday mornings before the lesson. Victor, Fred and Juan Jr, keep doing the same. The ladies of the congregation are getting together in one of the class rooms every other Sunday after the evening sermon, to dedicate time to prayer.

I also would like to share with you that last week I had a Bible study with Alfonso Cordova. I am not sure if we can do this every week or just once per month, but I will try to have it twice per week. He's about 38 years old and had lived a very complicated life. He recognize that God have been good with him, but because his lack of faith, don't see our God worthy of his service. Also, Jessica Carter is visiting with us every Sunday morning. We are so happy for this two precious souls, please pray to our God that we can be able to guide them to the precious feet of our Lord Jesus Christ.

My wife and I visited twice this month with the Pleasant Grove congregation, Brother Albert Lopez continue helping with the Wednesday night Bible class. If for some reason he don't show up, I help with the lesson.

Please keep us in your prayers. God Bless you all.
