Dear brothers, I want to greet all of you, hoping that upon receiving this letter you will all be well enjoying the blessings of our beloved God and the Lord Jesus.

Before sharing the work done in the work of the Lord I wanted to share some personal topics first:

Health: As for health my family and I are well, we have only had common diseases (colds, flu). I will try to go to a Pneumonologist next week to see why I have constant pain in the chest, I went to the general practitioner but I was prescribed a remedy that has not done anything for me, so I'll see if I can get a turn with a specialist. As for the brothers in the church, they have not had any extraordinary health problems.

Good news personally: Want to share with you a very good piece of personal news for me and my family, since I have the possibility to access the title of my land. I have a date until next June 6 to define the amount of fees to pay. The land costs Argentine pesos \$ 52,000 (dollars u \$ s 3,247), but I have to do the plans of what I have built and that I get Argentine pesos \$ 20,000 (dollars u \$ s 1,249).

Vehicle with problems: Vehicle with problems: My vehicle is presenting mechanical and electrical problems that I can not fix well for lack of money. The gearbox continues with more noise and I fear it will break at any time. I have to fix the front train mostly because it makes a lot of noise the direction, which to date I have not been able to do for lack of money. I mention this because the vehicle is an essential tool for work on the site in this area, for the weather and the distances. The arrangement more or less (not counting the exchange box) would come out about \$ 450 dollars.

Evangelism: With regard to the evangelistic activity in this area continues to work in the usual way through the paste of posters on the street and flyers in hand, inviting people to study the Bible in their homes in order to make contacts.

Church of Christ in Rawson (Capital): I continue to go to the town on weekends with Brother Christian Álvarez. With the brothers we are meeting on Saturdays from 7:30 p.m. to 9:00 p.m. for Bible study and prayer, and on Sundays the worship meeting is at 10:30 p.m. This church

is going to celebrate a year next June 5, at present they are 8 members. They on their part meet to study on Tuesdays and Thursdays with material that I provide.

Some of the Saturday Studies in this Congregation Were: The false apostles, Matthew 24 and the great tribulation, Moral sins, Worship without instruments, fasting and other issues that arose from questions that they had.

Baptism in Rawson: This year there were three baptisms to date: February 26: José Rafael González (45 years), 30 April Daniel Vidal (56) Raúl Marcelo Fernández (49 years old). At the end of the report I leave pictures of this.

Church of Christ in Comodoro Rivadavia: I am teaching on Tuesday at 8pm, Descriptive terms applied to the Christian. To date we have seen what it means to be a son, brother and disciple. The next term I will develop is the term "holy."

Some preaching done on Sunday (in both congregations) were:

- - The depression of Elijah I - God sends a messenger
- - Depression of Elijah II - He will seek it
- - Careless Sins: The Average Obedience
- - Careless Sins: Spiritual Lukewarmness
- - What is baptism? And its purpose?
- - Hebrews 10: 25-31 The purpose of meeting us and what happens if we do not?
-
- In my absence in Comodoro Rivadavia preaching was done by Brother Franco del Arco
-

Economic Support: It is the same that I have been receiving for years, with no change in amount. If anyone wants to know gently I will let you know in private.

Brothers, I beg your prayers for the work I am doing in this area and for the brothers who continue to be faithful to the Lord.

I bid you farewell thanking you greatly for your help and desiring the richest blessings.
