REPORT FOR THE MONTH OF APRIL 2017

God bless you and give you great health and life.

From here we send my family and I a big hug, we hope you are well.

Thanks to God and His mercy we go forward without fainting, despite difficulties we trust in a God who is almighty.

Concerning the work in the church, in this month we have had very good assistance in the congregation new visits, 'for the glory of God the Father.

We continue to work every day so that the Church grows in knowledge and wisdom in the word of God, in biblical studies I am reinforcing sound doctrine since that depends on the fact that the Church does not deviate from the truth and remain firm and faithful.

We continue to obey the Lord at all times, every Sunday we gather to worship our great King, with praises, prayers, the offering for the needs of the saints, the memorial and the study of the word.

We also continue with Wednesday meetings for the study of God's word and prayers.

On Saturdays we have Bible classes for children and young people for their spiritual growth and understanding of the word.

Also in this month we continue to visit new friends and our brothers to study and encourage them to seek each day more of the Lord.

In this month, visit with other brothers and sisters who meet in San Juan to help and encourage them.

On the last Saturday of the month, we gathered our brothers and sisters to continue studying the word of God and planning the work in the church.

Thank God they also operated our eldest son Salatiel with an umbilical hernia and varicocoele, everything went very well thanks to God. He is recovering well.

We also thank our brothers Gustavo Moreno and his wife Sabelis for helping us and encouraging us every day so that we can continue with the monthly meetings of brothers and sisters.

I want to ask you to pray for me and my family so that the Lord will give us much health and wisdom to continue serving in the Kingdom.

I also ask for prayer for my brother Juvencio Diaz so that the Lord heals him of his cancer.

I ask for prayer for our country so that everything can be resolved in holy peace.

I ask for your prayers for the church in this country so that unity is maintained in sound doctrine.

Without further adieu, his brother and servant.
