Greetings in the love of our Lord Jesus Christ. Dear brothers and sisters, it is our desire that in receipt of the present you are in good health and receiving all blessings from God.

As for me, thank God, I am physically quite well, thanks to your prayers and to God's grace, carrying out the teaching of the Word to Christians and non-Christians.

THE WORK IN MATURÍN CENTRO. We are organizing and activating Bible study points on weekdays in different sectors of the city.

The meetings are being held in the houses of members of the church.

The studies are directed to the edification of the brothers, and to non-Christians.

BAPTISM. On Saturday 08, in the afternoon, he was baptized for forgiveness of sins **DANIEL ELÍAS LIMA (18)**. Daniel is the son of the newly baptized Fiorella. This young man has been rescued by Christ from a terrible past, was a delinquent. He did not work, he did not study, he used to steal; The sectarians tried to win it and could not, no one believed he could change. From the conversion of his mother, he began to hear the gospel and take an interest in spiritual things. Since then he began to work and stopped stealing, and he is also joining the school system. And he himself manifested his faith in Christ and asked to be baptized. Being a bitter young man is now a cheerful and smiling person. His conversion and change of life have astonished relatives and neighbors who know him. We give glory to God for the salvation of this soul, and for the mighty gospel of Christ. Romans 1:16 “For I am not ashamed of the gospel, for it is the power of God to salvation to everyone who believes; To the Jew first, and also to the Greek.” Now my brothers, let us have Daniel in our prayers so that he may grow spiritually and be faithful.

RADIO. We are still waiting for the government's decision to authorize the reopening of the station, which is already four months off the air. When we have information on this subject we will inform you.

From left to right: Daniel Elías Lima, our new brother and the former evangelical pastor, now our brother, Javier Vargas, who has been fundamental support in the work of Daniel's conversion.

PRAYERS FOR HEALTH. Some time ago we had on the list prayer for health to our sister Erika Granados, a member of the church in Maturin, she had recovered enough. Recalling a little her medical record, Erika was first attacked by the disease known as "Gillian Barre" and later by "fibromyalgia", both autoimmune type. Unfortunately she had a relapse and had to be hospitalized for emergency. At the close of this bulletin there were two in emergency observation. Brothers, we pray your prayers for the health and life of our sister.

So far this bulletin, beloved brothers, I am sure that you have in your prayers to Venezuela and in particular to the brotherhood of this country, and we thank you very much for your prayers.

Thank you so much for being with this servant sharing with me in this effort to carry forward the kingdom of God on this side of the earth, thank you for your prayers and communication in this difficult time that we are going through, but we trust in God that after the hurricane , Peace and rest will come to this country.

If God allows, it will be until the next edition, meanwhile, we want God to continue to bless them richly.

In the love of Christ,

Antonio and family.
