Dear brothers, I want to greet all of you, hoping that upon receiving this letter you will all be well enjoying the blessings of our beloved God and the Lord Jesus.

- R E P O R T -

Evangelism: With regard to the evangelistic activity in this area continues to work in the usual way through the paste of posters on the street and leaflets in hand, inviting people to study the Bible in their homes in order to make contacts.

Church of Christ in Rawson (Capital): On June 5, the church of Christ in Rawson was one year of being established for the Glory of God. Six brothers are those who remain faithful from the day of their baptism. They are very encouraged in the faith and grateful to have heard and obeyed the gospel of our Lord Jesus Christ..

From Left to Right: Catalina, Orfelina, Jorge, Mabel, Hugo, José

Photo from Sunday August 6, where I am with my wife Sandra visiting with the brethren in Rawson.

In the month of July due to the weather conditions of the season in which we are, we have not been able to travel much to the city of Rawson, but these last two weekends we resumed the trips with brother Christian Alvarez,

These brothers meet of their own volition on Tuesday, Thursday, Saturday and Sunday. On Saturdays taking advantage that we go, they take advantage to remove all doubts and given that from time to time attend visits, we have not touched every specific topic

Church of Christ in Comodoro Rivadavia: In the month of July in the study meetings on Tuesday, I was teaching "What is being a disciple?": The characteristics that the Lord Jesus expects from those who are his disciples and another study "What is it to be saints?": The importance of practicing holiness.

Some preaching that I shared on Sunday (in both congregations) were:

- An old order but with current validity: Get up and go
- True worshipers (the visit of the wise men)
- Do not be stumbling blocks (the consequences)
- If a brother is not stumbling (how to act)

In the preaching I collaborate with brothers Christian Álvarez (in Comodoro Rivadavia and Rawson) and Franco del Arco in Comodoro Rivadavia. When we can not attend Rawson there preaches Brother Hugo Roa or Jorge Sosa.

Help received: In the previous report I reported and requested help to fix my vehicle and thanks to the extraordinary help sent in June by a brother of the United States I could fix the gearbox (u \$ s 450) Now it is arranged the address, Homokinetics and direction ends, precaps etc. I inform this because because of the long distances here in Patagonia and the climate a vehicle is necessary, both for personal benefit and for the work

Economic support: It is the same that I have been receiving for years, with no change in amount. If anyone wants to know gently I will let you know in private. Grateful thanks to the two churches and the family that collaborates with me to be able to continue extending to the work here in this part of the world.

I bid you farewell, wishing that the grace of the Lord Jesus Christ, the love of God and the communion of the Holy Spirit, be with you all.
