**My beloved Brethren:**

**I pray that my letter find you doing well, I want you to know that I am fully supplied, I have received what you sent, a fragrant aroma, a sacrifice acceptable and pleasing to God. I always will be thankful with every one of you, for your thoughtfulness, for your prayers, and financial support.**

**Brethren, everything continue to go well here in Arlington. Our attendance is going well, especially on Sunday mornings, and sometimes on Tuesday. Our new brother Jose Olivares continue struggling to live the Christian life that our God expects from His children. We haven't see him in a while. I been calling him and sending text messages trying to get in touch with him, but with no good results; I will keep trying.**

**Our sister Idalia Olivares is fighting the battle of her life, sometimes her son Jovanny, and her two little girls are the only ones that attend our services with her. Jose Jr, 15, and Andres whom is 13 don't want to come any more. They get out of the car or live the house, Sister Olivares will not see those boys three days later. Please, keep her in your prayers, we are helping as much as we can. We continue to visit with Mayra Hernandez, she stopped to visit us in our services but my wife and I are visiting her in her home. She is also under great affliction, her little boy Lucas in constantly sick with diarrhea, Lucas have a problem with his intestine and cannot eat normal food. He is two maybe three years old. Lucas older sister Atalia, she is 5 and can eat regular food but she have to eat without Lucas watching her, or she will eat in her room or when Lucas is sleeping. Please, keep Mayra in your prayers, she is on edge, she is tired, frustrated and feels very lonely. Her husband Ruben just was shipped to the Middle East, and won't be home till late in January.**

**Our sister Marina Villatoro and husband Jorge visited us once this month, and we haven't see them again. We contacted Sister Marina but she not invited us to visit with them, we will find out if anything that we may do. Let's keep them is our prayers. Our Bible class with Sister Jessica on Monday morning is on hold right now, her work schedule change, and we are waiting on her to see when we can continue with this class. Our class with Alma Castillo continue to go well, this class is on Tuesdays mornings at 11:00. The class with Gerardo and Diana still the same on Friday at 7:30. My Bible class with Brother Miguel on Sundays is still every other Sunday.**

**This month my wife and I visited twice with the Pleasant Grove congregation, they are doing very well. Their gospel meeting with Brother Rudy Peña from Phoenix, Arizona was well attended from several of the congregations around. Brother Josue Hernandez from the Country of Chile was here, and preached for them July 19-23. This meeting was also well attended; two man were baptized this month.**

**Brethren, I would let you all know that, God willing the 27<sup>th</sup> of this month we will have our annual singing service, and on August 11-20 will be out of town. Please keep this efforts in your prayers. Please keep us in your prayers. God Bless you all.**
