March 29, 2017.

My dear loving Brethren:

I am very happy for the opportunity to write to you again. I pray that my letter find you doing well. I always will be grateful with every one of you, for your thoughtfulness, for your prayers, and financial support.

Brethren, The Lord has been good with us, and has bless the work that we do for His honor and glory. On March 9 around 11:00 AM, after a Bible class, Jessica Carter was baptized for the remission of her sins. She is a single mom with six kid's ages from 17 to 15 months. She have been a warrior, and is attending our services with all her family.

This month our attendance just got a lot better, even when someone comes and go, other start attending. Like Ramon and his wife Irene Vega, they did not comeback. The same with Nicolas Castillo, he has no interest to keep visiting in our assemblies. But Brethren Julio & wife Rosa Maria Rodriguez are attending with us. We have learned just a little bit about them, like they have been a long time members of the One Coup Church of Christ. For some reason they are already at the door ready to leave that church and start worshipping with us, let's see how this work out for them and us. Sister Marina Villatoro start attending with us again. I baptized her about 3 or 4 years ago but soon after that, she left our congregation and, also stopped us to keep visiting in her home. Late last month we come across with her in a grocery store and a week later in a Walt Mart. She invited us to come back to her house to visit again. This past Sunday she visited our congregation with her husband Jorge and their older daughter Ilzia and her two kids. God willing, we will have a Bible class with Sister Marina and Jorge on Monday evenings, and on Thursdays with Ilzia and her younger sister Jessica.

Sister Olivares keep striving to be more faithful to the Lord, but the Lord knows that this continue to be very difficult for her. Please remember her in your prayers.

Our weekly Bible classes with our brother Gerardo, and his wife Diana continue going well, the class is every Friday at 7:30 PM. They are doing very well, Gerardo is capable to one day serve as Elder or deacon, and Diana is an excellent wife, she's always trying to become a better Christian.

God willing this coming month our work schedule will look like this; Bible class with Jessica on Monday morning at 9:00, and in the evening with Sister Marina and her husband Jorge around 7:00 PM. On Wednesday morning with Alma Castillo, on Thursday at 12 with Jose and Delia and in the evening with Ilzia and Jessica Villatoro, and on Friday with Gerardo and Diana at 7:30. My Bible class with Brother Miguel on Sundays have been on and off, but the plan is the same, keep going.

In March my wife and I, visited again twice with the Pleasant Grove congregation. They are doing very well, I am very happy for them.

I also would like to tell you that I am been invited to comeback to Hermosillo Sonora, Mx. God willing this meeting will be August 13-18. I will need to rise my expenses for this meeting. I will need to rise about 400.00 just for me, I will paid for my wife expenses, for her will be around 3:50. We will be leaving on August Friday 11th and comeback late on Sunday August 20th. We will fly from Dallas to Phoenix on a Friday. Expend the night there with Christians, and take a bus from there to Hermosillo on a Saturday morning. We will return to Phoenix on Saturday August 19th, again expend the night there. Worship there on Sunday and come back to Dallas Love Field late on Sunday. The Church in Hermosillo been inviting me for the past two years to go back but, I just I haven't been well enough to go. I will try to go this year, I believe that, with the Lord's help, I will be fine. Even when I feel great, I realize that, I just won't be the same any more. I am dealing with some issues every day, but I treasure our Lord's second chance.

Please keep us in your prayers. God Bless you all.
