**September 2017 REPORT**

October 7, 2017

**Beach Street CHURCH OF CHRIST**

Fort Worth, Texas

Esteemed brethren,

Just as any other eventful occurrence — the floods, tornados and earthquakes in the month of September 2017 will be remembered by many of us. These earthly events affected many of us in different ways. But what remarkable opportunities came our way to demonstrate our faith in God and love for one another. We did not shun these opportunities. Thanks to you and many other Christians for such authentic concern, prayers and help.

**≈ THE FORUM ON RACIAL ISSUES ≈**

It was very informative and encouraging to participate in the forum at the Westside church of Christ in Irving, Texas. I remain deeply moved by the courage and determination to step up to the urgent need of addressing publicly one of the most delicate issues among us as Christians. Pray that much good will continue to come from the work that was planned for the glory of God Almighty and for our betterment as Christians.

**≈ SPAIN ≈**

As you already know, I am scheduled to be with the local churches in *Seville, Dos Hermanas,* and *Badalona, Spain* the second and third week in October. *Roland Amador* and I will be making the trip. In our communication with several of the brethren in Spain, they are ready to receive us. Please remember this effort and our families (who will remain here) in your prayers.

**≈ COSTA RICA ≈**

I will be in Costa Rica the last week in November and the first week in December. This trip will be my last trip for the year 2017.

**≈ FINALLY ≈**

Please accept my thanks for your continued concern for me and my family and for the faithful fellowship we enjoy in evangelism. God be with you in all the good you do locally and in other places.

In Him,  
Ruben C. Amador
