Dear brothers, I wish to greet all of you, hoping that upon receiving this letter you will all be well enjoying the blessings of our beloved God and the Lord Jesus.

- REPORT -

Family trip: Taking advantage of a promotion in the bus tickets to Buenos Aires, which I leave to less than half of the usual passage, take advantage of traveling to Buenos Aires with my wife and children. Also taking advantage of my younger son did not have class because of being unemployed schools. With them we stayed for a week in Buenos Aires, and then taking advantage of the same promotion I travel alone with my wife to the north of Argentina to know the Iguazú Falls (Misiones).

Biblical series in Church of Christ in Derqui (Buenos Aires - Argentina): From June 7 to 10 I was giving a Bible series at the invitation of the brothers of President Derqui on the date mentioned. The attendance was good despite the prevailing weather during those days (intense rains).

The topics discussed were:

- Thursday 7: Remembering what the Lord Jesus commanded us (Matthew 28: 19,20)
- Friday 8: The characteristics that the Lord asks those who want to be his disciples
- Saturday 9: We are priests for God: The functions and how to dress
- Sunday 10: Characteristics of a True Worshiper (Based on Matthew 2: 1-11)

New church in Entre Ríos: Being in Buenos Aires I communicated via Facebook a man who lives in the town of Santa Anita (Entre Rios - Argentina), telling me that he was interested in studying at a distance the Bible course I offer. What does the Bible say about ...? This man turned out to be the son-in-law of brother Daniel Oller (member of the church of Christ in Pte. Derqui) and husband of Marisa Oller (who is Christian). I took advantage of the fact that I was in Buenos Aires and since the town where they live is only 323 km (4 hours aprox.), I offered to visit them with my wife to speak personally about the course, which they accepted. Schedule the trip to visit them on Monday 11 and finished the series, with return on Wednesday 13.

Being there the first day I had a Bible study with only the family, Miguel, Marisa and Milagros his 15 year old daughter. On Tuesday we organized another study but I proposed that they invite more people taking advantage of the fact that it was there and they were two more people. The study began at 7 pm and finished at 10 pm. I specifically told you what you should do to be saved. At the end of the study, ask if anyone wanted to be baptized for the forgiveness of their sins, on Wednesday morning, taking advantage of the fact that we would be there, with my wife, until 3 pm. That we were returning to Buenos Aires. At that moment she asked to be baptized Milagros and then at dinner, her father Miguel.

Baptisms in Entre Ríos: The baptisms of Milagros and Miguel, for the forgiveness of their sins, were held on Wednesday at 13:30 in a stream. Present were Sandra Schmidt (my wife) Marisa Oller (wife and mother of the baptized) and Natalia (friend of Milagros).

First meeting as a church in Santa Anita (Entre Ríos): Because there were already three Christians in Santa Anita and could begin to gather as a church, I postpone my trip to Buenos Aires and offered to stay with them in their first meeting as a church, Sunday, September 17, 2017.

The theme of the sermon I gave was "How to lead us in the house of God (the church)". I leave you Bible material so that you have a base to start, and urge you to gather as a church faithfully every Sunday. This Sunday 24 the three gathered as a church, giving their first sermon Brother Michael.

As I live in Comodoro Rivadavia (Chubut) and the distance I have to reach Santa Anita is 2059 km (23 hours) is that I urge the men of the church in Presidente Derqui (Buenos Aires) to make the effort and since they are only 323 km from them. For my point of view it is important that they support them every weekend until the man there stands firm and at the same time of encouragement for this new church. In the same way, I offered to visit them in order to make new contacts in that place if possible.

Evangelism in different areas: Taking advantage of the trip with my lady, and since in the places to which I was there is no church of Christ, take advantage also to do evangelism while we knew. Glue flyers on the street. I hand out leaflets in hand, leave them in mailboxes. Talk to the people on the public highway, on the bus where we were traveling. The people who listened to me were very receptive and some were interested. I do this work in every area where I go trusting that the word of God does not return empty and in the hope that by making new contacts the possibility exists that the church of Christ establishes itself in those zones.

The cities where I did this work were:

- Argentina: Missions: Posadas and Puerto Iguazú
Entre Ríos: Santa Anita and Gualaguaychu
- Paraguay: Ciudad del Este
- Uruguay: Mercedes

On the next page I leave you pictures of some things mentioned here. I bid you farewell, wishing that the grace of the Lord Jesus Christ, the love of God and the communion of the Holy Spirit, be with you all.
