REPORT FOR THE MONTH OF
SEPTEMBER 2017

May the Lord, God the Father almighty, guard you and give you physical and spiritual health and all your loved ones.

Thanks to God this month was a lot of work and great blessings, we continue to work in this great work of preaching the gospel and teaching the word of God.

Each Sunday we continue to fulfill the commandments of our Lord Jesus Christ, we gather to worship Him and exalt His holy name..

On Wednesdays we continue to hold prayer and Bible study meetings.

We continue to visit brothers and friends to bring them the gospel of salvation, we also visit the brothers who are sick and need medicine and care.

I continue working on Sundays in the afternoon with the brothers who meet in the Las Tarabas neighborhood.

In this month I visited the church of Christ in Riohacha Colombia and studied 1 Corinthians chapter 15, was of great blessing and edification.

I ask for your prayers for the unity of the church in Venezuela, so that we can continue with sound doctrine.

For the glory of God this month we baptized 4 souls for Christ and are now part of His Body. Our sister Benilde, Ana and Nataly Torres and Ezekiel my younger son.

I ask your prayers for my family and for me personally so that the Lord helps us every day to continue working in his work.

I ask for your prayers so that the word of the Lord reaches many people in this country and they can be saved.

Pray for my brother Juvencio Diaz who has prostate cancer and has been very delicate in health.

I ask your prayers for my Salatiel Son who has been presented with an injury to his left hip, the Traumatologist orders to have an MRI to know how serious the injury is.

Include our country Venezuela in your prayers so that the Lord will help us to continue fighting against this general crisis that we are living. Without further ado, I say goodbye, hoping to serve you.

Your brother José Gregorio Díaz
