

Dec 2017 Report

1/10/18

Dear brethren,

I pray all is well there.

About the congregation:

Sister Brenda Bullock is going to have to have hip surgery in the next few weeks. Keep the Bullock family in your prayers.

Lora Cotten's mom, Hope Doss, is having some physical and mental health issues. That makes it hard on the family. Pray for them/

Sister Sandra Dobbs had sinus surgery, but is having both sinus and flu issues. Keep her in your prayers please.

Sister Dorothy Warren, who just recently lost her daughter to recurring cancer, lost a close neice 2 weeks later. Her husband, Ray (who is in a local nursing home), is having moreand more memory issues. pray for her.

We are still hoping 2018 will be a more productive year for us in the Lord at Midway.

Many members are having flu related health issues. We are evaluating sunday and wednesday nite services on a daily basis.

About Glenda and me:

Glenda's nephew, Cody, has started working some, so that will add to our "running around" time.

Our son, Jonathan, is still working and is able to go to service with us on Sundays and most Wed nights. He is living on our place in an RV trailer. Pray for him. Your prayers for him and us are needed and will be greatly appreciated.

I'm having some minor health issues, but nothing debilitating me.

Glenda is still not currently experiencing any adverse reactions to her medication, but she is responding to an increased dosage. She had to receive another 2 units of blood just before x-mas. We really appreciate all the prayers from our christian family.

I've had to reduce my support from midway to \$1000/mo for 2018. We think we'll be ok, but the Lord will provide.

Thanks for your continued support of the work here and your prayers for my family and the members of the congregation.

Dec'17 support:

North Beach.....\$ 500/mo.

Midway church....\$ 1425 / mo

May the Lord's Word continue to spread there.
