

My greetings to you and to your loved ones in the name of our Lord Jesus Christ.

As to my work in the past month, one was baptized here. In Mindoro one of my fb friend required baptism but maybe upon the coming of my budget, I'll go there in Lords will. She belongs to *GIL Born Again Church* but through my constant preaching she required me to baptize her.

Here in Kalayaan, one woman named Susan Pandalag want to be baptized in spite of strictly objection of her husband which is drunkard and Shabo user. Yesterday morning, I went there but she was informed by her newly civil engineer graduate to come in Sta. Rosa, Laguna that's why her baptism was postponed. Hopefully, she will stay there less than a week according to her. Brother Alfonso Alano, 81 years old, who is now my constant companion in door-to-door evangelism. Lots of people we talked to about the gospel, but only few agreed to hear the original gospel of Christ. I met a man named Arnold Dedios. He is very importunate and trouble maker, lots of case against him according to my research. He fought me in discussion about the way of salvation. According to him, water baptism was only during the 1st century and now is Holy Spirit Baptism, it's the one baptism in Eph. 4:4. When he met lots of my question which he was not able to answer he got mad at me. I put in the embarrassment by asking 'Are you a Christian?' is that an attitude of a Christian? Where is that in the bible? He was calm, I advised him how to study the bible properly and how to use the context. That the bible is not always literal. Blessing that he listen to me. Bro. Alfonso put a stone, just to stone Arnold if in case. Later on he discovered that I am a Karate instructor.

Out of 28 houses we had been brought the gospel but usually their hearts were hardened by the god of the world II Cor. 4:4. They are always looking for a beautiful chapel, they didn't give a chance to hear other explanation. There are 3 families hopefully will continue hearing the gospel.

In San Antonio, the neighbor of Bro. Narcing after our series of bible study we reached to the point that he must choose between his wife and Christ, he was not able to decide. His wife is from a family of Catholic.

As to Sonny Valiente from kanluran, he really want to obey but her wife is a big problem who is in 'conception'. One time, she attempted to heard with her husband but she suddenly vomit.

Christianeth's classmate really like to obey but her husband is the problem who are working in Batangas.

My preaching through Social Media around the world.

Json Palintang, a member of Born Again together with his friend Noriel Arguelles of Nagcarlan, Laguna whose I confirmed in FB last 7 days ago are very aggressive in the bible to know about their salvation which I introduced to them. Lots of question about

the church, hopefully these two friendly person will obey the gospel. According to them they are meditating for it.

NWORU Gods will Chinedu, a Nigerian teacher in secondary education in Aba, Abia Nigaria. According to him he is a bible Training College of Church of Christ. So that I know more or less a liberal or instrumental music I taught him very well about the original church, original gospel of Christ. Blessing that bro. Ron Halbrook sent me in my Gmail lots of articles about the liberal and conservatives' church of Christ as well as instrumental music, about one cup and about denominationalism. So that I just ask their email address just to open their eyes to the truth.

The email of this teacher which is hanger to the truth is chinedunuwary67@gmail.com. His latest chat 'Bear with me and I need your teachings'.

Roman Mitra, Filipino who live in Canada, he is a teacher in High School.

Toomy Yu a Chinese National who live in New York and owner of a restaurant there. He is in a Denomination and very interested about salvation and in the Church of Christ.

Padmaro Chinta a one cup believer. He attempted to discuss with me but retracted at once. Now, I've sent an articles about this by bro. Ron. He is now my friend.

Vandanam is a friend of mine, a minister of a Church of Christ Liberal. I confirmed him in FB on Nov. 16. He email address in vandanamindia@gmail.com. On March 27 he told me that he want to visit the brethren here in the Philippines. I informed him to bro. Ron so they can talk together. I'm so glad that bro. Ron Halbrook kept helping people who really need the truth. This man had been calling me in messenger and we talked for almost two hours. He is a very good man. Yesterday evening we chat and discussed about doctrines.

Zaldy Asul. Became my FB Friend on March 6, together with his wife. They are constantly subscribing my teaching about salvation.

Vandanam called me again a while ago, he told me that he really want to visit the brethren here. He want to share his knowledge in the bible and also to the Philippines. He want to go here this coming June. But I'll consult it first to bro. Ron Halbrook and the elder there in Fort Worth, to bro Jim and elders of Loop Lufkin Texas.

Vandanam is a Liberal but upon the investigation of bro. Ron he admitted his yesterday and present situation of his faith. But some good materials which bro. Ron Halbrook sent to him and his view to the church has changed. If in case that he will teach any connected to liberalism, 100% I will filter it.

Once more, I would like to extend to our big brother Ron Halbrook my thankful for helping me in preaching around the world through helpful articles;
