I hope I will work for this month.

And as well as some of the Church members were also got sick

By this month I had visited them in the hospital some of them were at home.

May be it cost due of weather change.

Any way still by the grace of God there is no casualties report from the Church members. I hope this month I have another additional responsibility that to visit those sick people to visit them .at the different those are the Church members.

Sir in the Adult Sunday school we teach the Church the Church history.and we start the Bible class by 9:30am till 11: am after that the worship service, so all the church members were also active in the Adult Bible class.

And for the evangelist work I have work too, that is to teach and take the Bible class mostly among the Denomination people I hope if I am well I will do this month. I used to go house to house and spend times both I and them and have studied together the Bible in one day three hours I used to take. Mostly I focus those are the Baptist background.

Please pray for my evangelist work in Shillong India., I am really happy and so excited preaching and teaching the word of God to the people who do not know the truth, really it is good for them as well, but some of them forbid me to teach even the Word of God but some of them said that your teaching is good it is the truth but they do not wanted to received the gospel, even though I did not disappointed because of the people who rejected me. I will press on. Preaching and teaching them the truth of Gospel.
