The second and shortest month of the year has elapsed and we thank God that he continues to give us life in this existence, and the opportunity to continue preaching the gospel to the souls, and helping in the edification of the church.

Glad to be back in touch with you and thank God for that. And as always, it is our desire that everyone be well blessed from God.

-
- ✓ By the grace and help of God, his work in Maturin goes on, and in good spirits in the brotherhood, as living stones, built as a spiritual house and propagating the Gospel in the hearts of those who hear the word.

Evangelism.

We have several contacts, non-Christian people who are interested in hearing the Gospel of Jesus, and to attend them we are organizing different meetings for the study of the word in different sectors of the city. We ask you to join us with your prayers for this purpose.

- ✓ From Tuesday 6th, I started evangelistic Bible study meetings in the

House of the family Almenarez Granad, in the center of the city. Participated young Aris, Elder Jr., and Jhosua Almenarez, Paola Torrealba, and sister Erika Granad, giving support.

Restoration.

- ✓ In the Gamardo family there are three Christians, Wilfredo, husband and father. Corina, wife and mother. Andrea, daughter. More than seven years ago we met Wilfredo when they had him as a "prophet" in a sectarian church, we studied scripture with him and two more members of that congregation. On December 28, 2010 the three were baptized for forgiveness of sins, then we continued to study with the family of Wilfredo, and then Corina and Andrea were also baptized; And about three years ago they turned away from the faith. And along with Wilfredo we were

working with them to restore them to the faith, but sadly, they stayed out. But praise and glory be to God, when on Sunday 11 they came to the meeting of the Church with repentance, to reconcile with God and return to Communion, which was of great rejoicing for the Brotherhood who saw his prayers answered.

Left to Right: Andrea, this server, Corina, and Wilfredo.

In the midst of the adverse situation of the country, the Christians, the Children of God, inhabit the shelter of his trust, and there he

lavishes his protection on us. Praise and
Glory be to the Lord.

So far this newsletter, we say goodbye for
now wishing the best for their lives and
thanking their prayers, we also pray for you.

We reiterate our gratitude for your
involvement with me in the Gospel in this
part of the world.

If God permits, it will be until the next
edition, in the meantime, we wish that our
Lord continue to bless all richly, farewell.
