

Mar 2018 Report

3/30/18

Dear brethren,

I pray all is well there.

About the congregation:

Sister Brenda Bullock is recouping very well from her hip surgery. She is already back at Sunday morn services. Keep the Bullock family in your prayers.

Sister Lora Cotten's mom, Hope Doss, is doing fairly well, but Lora's niece just went on liver transplant list. which continues to stress the family. Pray for them.

Sister Sandra Dobbs has found a new job. As noted previously, she is pretty new in the faith, so keep her in your prayers.

Sister Rachel Scheuerman is back working as well. She has 2 schoolage grandchildren living with her, so keep her in your prayers.

Our members are all doing well regarding their health issues, but everyone seems to have a family member(s) having health issues. So between work and family health issues, both evening services continue to be iffy.

We continue to have out of town visitors occassionally, but no locals.

About Glenda and me:

Our schedule is crazy much of the time. Add Dr visits and lab visits for Glenda to the mix and we are running around like chickens with our heads cut off much of the time. Glenda dosen't feel like driving much any more, so I get to do a lot of taxi-ing.

Our son, Jonathan, is still working and is still able to go to service with us on Sundays and most Wed nights. Pray for him. Your prayers for him and us are needed and will be greatly appreciated.

I'm doing well now from a health viewpoint. I had a prostate biopsy recently, but all was negative for any cancer.

Glenda is still not currently experiencing any adverse reactions to her medication, but she is developing high iron levels due to the transfusions. Thanks for your prayers for her.

We really appreciate all the prayers from our Christian family.

Thanks for your continued support of the work here and your prayers for my family and the members of the congregation.
