**I hope that my letter will find you in the best of health. I pray that your labors in the Lord continue to flourish, spiritually and in number. I pray that your work as an Elder continue to be, what our Lord command it to be, and that you do your service the Lord's flock with joy.**

**Brethren, thanks to our God our work is going well, we are aware that our goal to be better Christians, and better church, can be very challenging, but every effort is worth doing it.**

**I would like to tell you that brother Jose Olivares and sister Idalia Olivares starting attending again. We all are very happy to see them back, they still have very difficult issues to deal with. This problems have to do with Jose Jr., and Andres. This kids are out of control and Jose and Idalia, are very worry about them.**

My Bible class with Brother Miguel still the same, every other Sunday. I also need to let you know that I was invited to present a Bible class regarding marriage. Brother Luis Quiroz whom worship with the West Dallas congregation invite me to his house to give this class. A group of 15 brethren was present. Last Thursday he had a visiting speaker, is very possible that we may have this class every week. My wife and I visit with two families on Sunday night, they are Jose and his wife Alma Rosa, and Wilmer and his wife Rosa. We study a little bit about the Bible, Christ and His church. We will be in touch with all of them to try to continue visiting.**

**My brother Jorge and his wife Nereyda stop attending, the weekly Bible class every Saturday is also on hold for now. I continue to be in touch with them, hopefully we can start visiting them again soon.**

**The last week of March we have the opportunity to visit the congregation in Garland. We also visit this month twice with the West Dallas congregation, and twice with the Pleasant Grove church. I was ask, and giving the time to present the lesson. West Dallas ask me to give a Bible class.**

**Brethren, once more I am asking you to please continue to include my wife in your prayers. She continue having problems with her esophagus. She is a very brave women, but I can see that is very hard to sit with us in our table to have something to eat, and enjoy it. God willing she will see her doctor this coming May, with God's grace hopefully he can be able to help my wife.**
