Greetings beloved brothers in the love of Jesus Christ. As always, we thank God for keeping us in life and in the faith, and for giving us the opportunity to communicate through this means. Naturally, it is our desire that you, your family and all your relatives be well, enjoying the blessings of the Lord. And great strength in the faith and in the spirit for those who go through some suffering, as Peter says: "... knowing that the same

sufferings are being fulfilled in your brothers throughout the world" (I Pet 5: 9). That is why we pray for you, as you also pray for us.

Church in Maturín centro.

We are very grateful to our God because the brotherhood remains firm in the faith, worshiping and serving God, praying and handling the difficulties we have as a country with good spirit and hope.

We continue to work with the contacts, preaching the gospel of Christ. We have made adjustment of days and hours to help people for their daily performance, to locate the time for preaching.

In the previous bulletin, I added a copy of the paper with the theme of the differences between the brotherhood. The next plan, God willing, is to hold some study meetings on the subject with preachers and other

brothers who do not know these issues well.

Urgent Prayers. Dear brothers, we pray your prayers for the boy Eduardo Figueroa, four years old, who has cancer and several months in medical treatment, hospitalized in the city of Barquisimeto. By this time the child has bleeding from the urine, nose and mouth. Eduardo is the son of Sr. Albita Figueroa, member of the church in Carora, Lara. *{Eduardo Figuero died just after this was written. RG}*

So far this newsletter. Beloved brothers, I thank you very much for your prayers for this work, and my repeated gratitude for your participation with me in the gospel. It is also fitting to thank them for their prayers and attention for this difficult situation that Venezuela is going through. In God We Trust.

If God allows it, it will be until the next edition, meanwhile, that God blesses each one richly. Goodbye.

In the love of Christ,

Antonio and family.
