My beloved Brethren:

I am grateful for the opportunity to write to you again, it is my desire that each of you be in good health. I pray that your labors in the Lord continue to flourish. I thank our God for your work as an Elder, for your passionate love to serve the Lord's church. I pray that He bless you, and your families.

Brethren, I would like to tell you that our attending had slow down a little bit. Jose and sister Idalia have stop attending again. Both have been working out of town, hope they continue attending soon. Sister Alma Castillo is also missing a lot of services, we just can't find out what maybe going in her life, we try to see what we can do to help. God willing this coming Sunday, we will start Daniel chapter 10, the congregation is excited with this wonderful book. We are planning to start studying the book of Acts on the Tuesday service sometime in August. We just finish our class on the life of Abraham.

I also would like to let you all know that our class with Sister Alma Castillo in on hold right now, we are in shock. Like I said, we don't know what is going on with her, we will see what we can do to help. The class with Gerardo and Diana still the same on Friday at 8:00. My Bible class with Brother Miguel is also too on hold, he have working out of town.

My wife and me just gave up with Jose and his wife Alma Rosa, and with Wilmer and his wife Rosa, they just don't have the desire to study with us. We continue talking with my brother Jorge and Nereyda, looking for the opportunity to continue studying God's word again. I am still chasing Jose Ortiz and his wife Sarai. He is a good man, seems to be that he enjoy to study God's word, but not his wife Sarai. Please pray for our efforts. I also need to let you all know that Eduardo Cantu have visited with us three time this month, for now he just want to visit, we will see how we can study with him God's plan of salvation.

Once this month we visited once with the congregation in Garland. Once with the Pleasant Grove congregation, once with the West Dallas congregation, and once with the Fort Worth congregation. The time were giving to me to present the lesson, at the Pleasant Grove, the Garland congregation, and Fort Worth congregation.

Brethren, our singing night was a wonderful night. Brethren from the area, and from out of town were in attendance. So much encouragement was giving to us from everybody to continue with this work. I like to acknowledge my son Juan Jr., for putting a lot of time and effort, to coordinate this service. God bless him and his wife Miriam, she gave so much support in all Juan does.

Please, pray for our work, we thank every one of you. God Bless you all.
