

My greetings to you and to your loved ones in the name of Jesus Christ.

The days were swept away the time, It's another day to report my accomplishments in the past 30 days.

As to my works:

September 19: I attended the lectureship in Pasay, Edsa. Hosted by our big brother, bro. Rudy Gumpad. The lecturers are bro. Harry Osborn and Jonathan Cariño. We had a very good lesson learned.

September 30: I went to Bicus Northwest, Caloocan, through the invitation of bro, Ely Ebuenga and taught a fine lesson "The Church of Christ VS Denomination". And the other day, I and bro. Andrew Romero, Vicente Cay and bro. Ely went to Pangasinan for teaching and preaching. Four (4) were baptized into Christ. Then we moved to bro. Vicente's house in San Miguel, Bulacan to take rest for a while before we went to Manila, we went to our own homes there after.

September 6-8: I went to Pulosahi, Bongabong, Oriental Mindoro, by that time, I went there alone because bro. Mario Cay preached to his Congregation in Victoria on Sunday while bro. Ely was busy...

4:00 am – 2:00 pm trip and voyage through the Super Cat, I reached there and ate my lunch. Then I and bro. Roy Agustin went back to those who heard on me before, six (6) agreed for baptism due to my constant teaching through my mobile phone (Text and Call).

6:00 am: I baptized them into Christ.

9:00 am – 11:00 am: I taught in the Sunday Service. My topic was "The Outer Man and the Inner Man [I Cor. 4:16]". The Attendance was 67 together with the 6 newly baptized. That was a triple celebration! Lords' Day, Inauguration of the Church there and Sis Aida Agustin. (Thanks Giving) They were all encouraged and inspired also to my Topic.

As to their building, they are going to start now. Some of friends, cousin from abroad send a help for the chapel. The building size is 18 Width x 10 Hight x 30 Long feet. The lot was donated by bro. Roy Agustin.

The congregation in Caligtasan, One Covenant, the Second barangay to Pulosahi and another One Covenant in Pulosahi members were transferred to bro. Roy congregation in Pulosahi. Most of them are happy for my coming and helping bro. Roy however the One Covenants are jealous and angry with me. But I must stand for the truth!.. And I'm looking forward that they will be converted too.

As to the debate with Boy Alvarez, bro. Chito – the coordinator of debate, Alvarez retracted!..

As to the newly opened congregation in San Pablo, hopefully, ate Liza Algaba and her husband will obey the gospel soon. Ate Liza invited me to go in Tanauan, Batangas to visit our cousins there and So bro. Ely and I made an arrangement schedule for it.

This coming October 16, Tuesday. I will attend the lectureship in Canlubang through bro. Bob Buchanon, coz bro. Jason Pulintong and Noriel Algaba Arguilles want to meet them and learn more.

As to my work here in my congregation, just preach and preach although most of the people here are materialistic. Next year, there'll be a great changes coz Christianeth is already working and Ma. Faith is waiting for her job. Hopefully, I can be able to pay our debt also, but most of all, I could work more for the Lord...

I would like to extend my thankful to bro. Ron Halbrook for granting our request to visit the Mindorinian Brethren. Thank you, Thank you very much bro. Ron!.. Also to the help to bro. Isidro Saligumba and bro. Gilberto Magante to request assistance of bro. Ely Ebuenga.

But bro. Gilberto Magante has illness – cancer which was discovered later in East Avenue, Manila now in Stage 4! He is pitiful... he needs a loving care from the brethren... I am sorry for him... He became my constant companion... He is a very good brother and friend... As to my working in his vineyard, as of now I really needs a projector my dear brethren... If you happen to have any secondhand projector there, I'll thanks... As to my family, and the brethren here, they're all fine... you are all kept in our prayers... for a good health, comfort and more blessings... please include us also especially bro. Gilberto Magante...

In Christ,
Efren
