Comodoro Rivadavia, October 24, 2018

Dear brothers, I want to greet you all, hoping that upon receipt of this letter you will all be well blessed by our beloved God and the Lord Jesus.

Before sharing the work done in the work of the Lord, I wanted to share some personal issues first:

Health: As for my health in the month of August I was diagnosed with pre-diabetes. This disease caused me to have eyesight problems at the beginning, blurred vision up close, I even had to wear glasses. He also made me quickly lose weight, from 95 kg to 82 that I have now. As soon as I was diagnosed with this disease I began to inform myself of how I could take care of myself, I am eating healthier and exercising through walks. The blood tests that I did in each one of them showed a lot of improvement thanks to God getting to have almost normal levels of glucose. As for the eyesight I recovered it and I no longer have to wear glasses to see up close, and my weight stabilized at 82-80, although doctors tell me that I should weigh less than 80 for body mass I look good, The only bad thing about having gone down is that all the clothes, pants, suits and shirts are now big (☺).

## - R E P O R T -

### **Evangelism:**

- In Comodoro Rivadavia: With respect to the evangelistic activity, I continue to work in the usual way I have been doing it, through invitations in hand on public roads, placing posters on the public road inviting people to study the Bible in their homes in order to make contacts.
- 
- In Rawson: I continue going to the city of Rawson (Capital of Chubut) two weekends a month, with them we have Bible study on Saturdays from 7:30 p.m. to 9:30 p.m. and Sundays meeting at 10:30 p.m. hs. This congregation celebrated two years of existence in the month of June.
- 
- Puerto Madryn: since the beginning of this month (October) I am going to the city of Puerto Madryn located 80 km from the city of Rawson. I'm going there to see two contacts Aldo (43 years old) and Rosario (62) both are son and mother. This man contacted me at the beginning of the month because he found me online looking for a church of Christ near where he lives. Puerto Madryn is 439 km away. of Comodoro Rivadavia. To date we have spoken with five people from that city of which those who have shown the most interest so far are this family. At the moment they are showing interest but it is hard to leave certain practices of the evangelical sect that prevents them from obeying.

**Church of Christ in Comodoro Rivadavia:** In this church a marriage that had stopped attending was restored and to this day they are persevering faithfully. The brother who takes my place in the preaching on Sundays that I am in another city is my nephew Franco del Arco, and the brothers collaborate faithfully in the service.

**Some preachings that I shared on Sunday (in both congregations) were:**

- Idle words
- What would happen if we imitated the apostle Paul
- Walk as Christ walked
- Disbelief
- Spiritual
- 

**Bible Studies:**

In the church of Christ in Comodoro Rivadavia on Wednesdays I am giving a Bible study about prayer. The topics discussed to date were:

- Jesus teaches about prayer
- The power of prayer
- The effective prayer of the just
- When God does not listen to our prayers
- Because things must pray
- 

**Economic Support:** It is the same that I have been receiving for years, without variation of amount.

Brothers, I pray your prayers for the work I am doing in this area and for the brothers who continue faithful to the Lord.

I say goodbye to you, thanking you enormously for your help and wishing you the richest blessings.
