***REPORT FOR THE MONTH OF
AUGUST 2018***

The Lord, Almighty Father God, keep you and give you physical and spiritual health and all your loved ones. In this month we continue to meet every Sunday to adore our King, we also meet every Wednesday for the study of the word and prayers. Every Saturday we serve young people and children to study with them the word of God. We also continue to fulfill every day the commandment to preach the gospel of salvation to every creature, we visit sick and needy brothers, we also visit new converts and new contacts to continue bringing them the good news of salvation. Thank God this congregation continues to grow, some brothers have gone to other countries because of the bad situation we are living in, but we keep growing every day numerically and spiritually.

In this month our new sister Omaira was born for the glory of Almighty God.

I ask for prayer for the new brothers so that they continue every day without fainting.

I also ask for your prayers for this country so that we can live in peace and the preaching of the gospel does not have a stumbling block.

I also ask for your prayers for my family and for my person so that we will be very healthy and able to move forward.

Thank you dear brothers for all your help I ask God to continue blessing you every day.
