It is a blessing that God gives to come back to you by this means. Beloved brethren, it is our desire that you enjoy health and every blessing of the Lord. We remain firm here, giving the battle that touches us at this time, and we are strengthened by the words of Paul: "I can do all things through Christ who strengthens me" (Phil 4:13). For the rest, we wait in the Lord with the hope that this country will overcome this crisis with the help of God.

The Church at Maturín centro.

The Lord's church in this city stands firm, manly. Even when there are limitations and difficulties to mobilize in public transport, everyone makes an effort to get to the activities of the church.

Visitors There is a couple of young couple who have several weeks visiting church meetings, they come from the liberal church, they are already baptized. He is a footballist. They are very identified with us. Among other visitors, an adult marriage (Américo and Solángé) has arrived by contact at several church meetings. Américo informed me that he will arrange for us to take Bible studies home. I appreciate your prayer on behalf of these people.

Training. In the previous bulletin of several brothers who expressed their desire to prepare, some to preach others to direct the worship service, they have considered the necessary and important thing that is to get involved and help in the activities of the church, and much more now when several brothers who helped in the church have gone to other countries looking to solve their lives given the crisis we are going through in Venezuela. Thank God, on Saturday 22 we started the training or preparation program with the participation of four brothers: Renny Marcano, Arcadio Fleming, Andrés Isidro, Gustavo Almenarez and this server as a facilitator in the preparation.

Left to Right: Renny, Arcadio, Andrés, Gustavo and this preacher.

Beloved brothers, we continue to count on your prayers for all the activities that we carry out for the growth of the Lord's work, the benefit of souls and the glory of God.

So far this newsletter. It is opportune for me to thank my beloved brothers for their faithful participation with me in this work, their prayers, and fraternal solidarity in this difficult time. We keep praying for one another.

If God allows, it will be until the next edition, meanwhile, that God will continue blessing you richly, bye.

In the love of Christ,
Antonio and family.
