

Aug 2018 Report

9/7/18

Dear brethren,

I pray all is well there.

About the congregation:

Our congregation is continuing to enjoy good personal health, but everyone still seems to have a family member(s) having health issues. I'm sure this is not unusual for many congregations.

Lora Cotton's mom, Hope Doss fell and broke her forearm in at least two places. She is to have surgery on the arm, and is staying with Lora for now. Hope's dementia is also progressing. The Cotton/Doss family needs prayers.

Sister Deb Westerman is still struggling with her faith. Deb really needs prayers to remain strong.

We had no visitors last month.

About Glenda and me:

Our schedule is still not too crazy. Dr visits and lab visits for Glenda and I have slowed down some so we can breathe a little easier thank the Lord.

Our son, Jonathan, is still working and is still able to go to service with us on Sundays and some Wed nights. Pray for him. Your prayers for him and us are needed and will be greatly appreciated.

I'm still doing well from a health viewpoint. I did have to have some skin cancers removed from my face, arm, and ear, but all is well now. We appreciate the prayers of all there.

Glenda hasn't had to get blood for four months now, and in her last blood test her red blood count was up a couple more 10ths! Still low, but some unexpected progress. We attribute it to prayers, and we thank you for all of yours in her behalf.

We really appreciate the prayers from all our Christian family.

Thanks for your support of our work here and your prayers for my family and the members of the congregation.
