October 2018 Report.

Beloved brothers.

The report of my work carried out in October of 2018.

I returned from the evangelistic trip to Peru on October 15 and joined the work of the preachers in the church of Limache, Chile.

I presented the following Bible lessons.

- "Our work in the church" 1 Thessalonians 5: 12-28.
- "The Mystery Of The Resurrection" 1 Corinthians 15:51.
- "Boredom, A Spiritual Problem!" Philippians 4: 4.

Always the brothers with whom we form the teaching team in the church of Christ in the city of Limache are attending the needs of teaching in the congregation.

Brother Rubén Toledo teaches lessons of the Gospel of Juan and the letter to the Romans.

Brother Nelson Moraga teaches lessons about the prophet Elisha.

Brother Rodrigo Acevedo presented teaching taken from the book of Job.

The work of this brothers allowed me to carry out the evangelistic work in the churches of Peru.

Other things.

With joy we announced the restoration of Sister María Alegría, who had abandoned communion with the Lord for more than a year and had attempted suicide. On Sunday, October 21, he presented himself to the congregation in Limache and publicly apologized to God and the church. We pray all together to God for our sister and we work on her restoration.

I keep recording Bible lessons on video every week to send brothers in Chile, Argentina, Peru, Ecuador and Uruguay. The sibling brothers tell me that these lessons are useful for them, because they can see them on their televisions, laptops or cell phones. Especially small groups of brothers who meet and can study the word of God together.

My health.

I have started with the medical exams to schedule the surgery of a tumor and three abdominal hernias that I must undergo. This surgery was postponed by the doctor for October, so I started with the rigorous exams, taking the results the surgeon will give me the date of the intervention. I need your prayers for my health.

Preaching trip to Peru.

As I informed you previously, on Sunday, September 30, I traveled to Lima, Peru to begin the 15 days of preaching by several churches in this country. I met at the airport with Brother Carlos Pérez, evangelist of the church of Christ in Puente Piedra, Lima. On Monday morning we boarded the plane that took us to Tumbes (810 miles from Lima).

On October 1st and 2nd we were teaching Bible lessons with the brothers in Tumbes. It was very good to be able to teach the word of the Lord with these faithful brothers who were going through difficult times. The last meeting was extended after midnight, as the brothers asked us for advice to solve some problems they had as a local church. Happily, we were able to help them and they informed us that everything is going well. Remember in your prayers this group of brothers who are in the far north of Peru struggling to preach the truth of our Lord Jesus Christ.

On October 3 and 4 we were teaching the word of the Lord with the church of Christ in Chiclayo (320 miles from Tumbes). The church here needs help in teaching. A preacher who visited them did not show good behavior among them and that caused discouragement in the brothers. It was very good to be able to teach the word of the Lord with these faithful brothers in these difficult times. Brother Carlos Pérez will seek financial resources to visit these brothers again. I request your prayers for this group of brothers who struggle to remain faithful to the Lord.

Our purpose was to edify and encourage our brothers in that place. The brothers were very grateful for our visit and the lessons we taught. The brothers of this congregation have had difficult times, but they have kept the faith. A group of brothers from the church of Christ in Catacaos was present at the meetings in Sullana.

On the 13th I traveled to Catacaos together with Br. David Guerrero and his wife. We left Paita at 7 o'clock in the morning. There are 44 miles from Paita to Catacaos. It was a very active day, because we visited in their homes brothers who were weak in their faith, where I presented Bible lessons according to the needs of the brothers. At night we meet with the church for teaching. This church is composed of young couples, they are 25 brothers who serve the Lord with great love. The brothers in Catacaos expressed deep gratitude for the time I dedicated to them. I promised to return and work with them in an upcoming visit to Peru. I request your prayers for this group of brothers who struggle to remain faithful to the Lord.
