

Nov 2018 Report

12/11/18

Dear brethren,

I pray all is well there.

About the congregation:

Our congregation is continuing to enjoy good personal health, but everyone still seems to have a family member(s) having health issues. I'm sure this is not unusual for most congregations.

Lora Cotton's mom, Hope Doss is doing well. Hope's dementia is also progressing. The Cotton/Doss family needs prayers.

Sister Deb Westerman is still struggling with her faith. I talked to her yesterday and she is planning on being at worship this coming Sunday. Deb really needs prayers to remain strong.

Sister Sandra Dobbs had to have surgery, but she is up and about. She also got a position that is much closer to home, so she thinks she will be able to Make Wed night class starting soon.

We had no visitors last month.

About Glenda and me:

Our schedule is still not too crazy. Just follow-up Dr visits and lab visits for Glenda and I, thank the Lord.

Our son, Jonathan, is still working and is still able to go to service with us on Sundays and some Wed nights. Pray for him. Your prayers for him and us are still needed and will be greatly appreciated.

I'm still doing well from a health viewpoint. We appreciate the prayers of all there.

Glenda hasn't had to get blood since Feb. In her last blood test her red blood count was down a couple of 10ths! Still low, but somewhat steady. We still attribute it to prayers, and we thank you for all of yours in her behalf.

We really appreciate the prayers from all our Christian family.

Thanks for your support of our work here and your prayers for my family and the members of the congregation.
