Dear brothers, I want to greet you all, hoping that upon receipt of this letter you will all be well blessed by our beloved God and the Lord Jesus.

Before sharing the work done in the work of the Lord I wanted to share some personal issues first:

Health: As for my health, the subject of diabetes is stable, thanks to the fact that I have taken care of myself at meals and helped with walks. As for my family my daughter was affected by pharyngitis but is already recovering. The brothers are also fine with some age-related problems and change of season.

Evangelism:

- The work on this has not changed, continuing the work to make new contacts in my town and some nearby cities. I have been making posters (type parades), flyers and treaties for this purpose.
- In Rawson the brothers are still firm and they are already gathering in a place donated by one of the brothers (Hugo Roa). We are going twice to see them.

Church of Christ in Comodoro Rivadavia: On January 8, the congregation in Comodoro Rivadavia celebrated its 18th anniversary. This thanks to the mercy of God and perseverance of some brothers who despite many "shakes" have remained firm.

It was implemented to have a Bible study on Sundays of thirty minutes after the meeting, in order to help in the growth of the brothers who do not attend the studies on Wednesday that is where we gather to study and pray for each other.

Some preachings that I shared on Sunday (in both congregations) were:

- Temptation of the Lord Jesus (Luke 4: 1-12) This time focused on the form that resisted the temptations provoked by the devil
- Tell how great things God has done with you. Luke 8: 26-39 A sermon to encourage evangelism.
- The reason for true rejoicing (Luke 10: 17-20) is that our names are written in the heavens, contrasting what would happen if our name did not appear in the book of life

- Repentance and forgiveness of sins (Luke 24:47) Remembering the last commandment left by the Lord Jesus.
- Repentance, its urgency for the fragility of life (Luke 13: 1-5) Based on the two tragedies that are narrated in those passages and the words spoken by the Lord Jesus
- Genuine repentance: A contrast to the false concepts of the

Bible Studies: The theme that I am giving on Wednesdays has to do with recognizing the machinations of the devil (2 Corinthians 2:11)

Economic support: It is the same that I have been receiving for years, without variation of amount.

Brothers, I pray your prayers for the work I am doing in this area and for the brothers who continue faithful to the Lord.

I say goodbye to you, thanking you enormously for your help and wishing you the richest blessings. Sosténimiento económico:
