SUMMARY OF THE YEAR 2018

The peace of God and his mercy is always with you all. God bless you, beloved brethren, I ask the Lord that this year be of many blessings for you and your loved ones, we thank God and you for all your help and support. Thank God this year was a great blessing to many who knew the Lord and obeyed his word through the obedience of the gospel. In this year we were able to baptize eleven (11) people for the glory of God, of which ten (10) persevere. We achieve the goal for 2018 and we hope for this year to continue working more for our Lord.

In 2018 I visited 4 congregations in Cartagena-Colombia and in Venezuela 5 congregations in various states of Venezuela, it was a

great blessing for me to meet new brothers and commune with them and study the word of God.

In this year that begins we have new work projects, in building, evangelization and benevolence. The Church continues to grow spiritually and numerically. I am making a plan of discipleship and personal attention of the new converts. Thank God my 3 children participate in the Church and several faithful men make a very good team in the work of the Lord. Thank you for all your support and your valuable prayers.

Your brother and servant José Gregorio
