

Greeting you all in the name of our Lord and Jesus Christ.

I would like to state the work report for the month of January 2019.

Personal Evangelism work.

Mr Jangminlun touthang who came from Manipur India right now he is in Shillong for the times being, as he is willing to know the truth, so that is why I teach the word of God and have a Bible class with him. In the personal Bible class I used the topic

1. Rightly dividing the word of truth
2. The dispensation of the Bible
3. The Church
4. The steps of salvation

All the topic I preach to him,

Nao he realised that my teaching is true

But still he is refusing to follow the truth.

And he said that I will arrange for Bible debate, I will take one of the Baptist Pastor and we will have Bible debate.

I agree him.

He is from Baptist background and from Manipur India, and he is still single

So Sir, please if possible remember him in your prayer so that God will lead him in the truth way and be save his soul and God will bless His word which I preach to him.

And last month in the assembly of the Church I used this topic.

THE VALUE OF BEING A CHRISTIAN

1. What it Means to follow Jesus
2. Blessing in Christ.

Both of the topic I used preach in the worship service

I hope that each and everyone it will be beneficial for their spiritual growth as well for the Lord Kingdom.
