

Jan 2017 report

Dear brethren,

Hope all is well there. Sorry this is a little late. Been having some computer and internet issues.

About the congregation:

Most all are well now, after some colds and sinus issues.

Sister Dorothy Warren was in the hosp for a week or so with AFIB and congestive heart issues, but she is home, on meds, and able to be back at Sunday morn worship.

Sister Rachel Scherweman finally has a job, but she also is having to care for her 4 grandkids fulltime now (ages 10 – 17). She is doing pretty well, but needs prayers for strength. So far she is able to make at least one service a week, sometimes more.

Sister Deb Westerman has been trying to get back to worshipping regular, but she has had some personal and family health issues.

All other members seem to be doing well spiritually, especially with some of the extended family issues they are having.

We haven't had any visitors in Jan.

About Glenda and me:

Glenda has been getting positive blood tests recently. Not great results, but ppositive. She hasn't had to have blood in almost a year! (She does though, tire very easily and often.) We attribute the progress to everyone's prayers for her, so thank you all so much.

I've been having pretty good health recently, so hopefully that will continue. My mother has had to move out of her home in Tolar and is living with one of my sisters in Arlington. This is straining the family some, so prayers will be appreciated for her and my siblings.

If you remember, in late 2017, one on the "charter" families left the congregation under unfortunate circumstances. I was some apprehensive how things would progress in 2018. But all the members have responded well and I think we are a stronger congregation now than then. We have a fine group of members here, and I think we will continue to do well. Again, thanks for your support and prayers.

Jan 2019 support:

Midway.....\$1000/mo

North Beach.....\$500/mo

Weatherford.....\$600/mo

We continue to pray that the Lord's Word will spread.

Thanks again for your prayers and support.

In the Lord

David Reeves
