REPORT for the MONTHS of
FEBRUARY and MARCH 2019

God bless you and keep you, I greet you, wishing the best for all of you, and may the Lord Almighty give you a lot of health and life.

I thank God for all your help and mercy and thank you dear brothers for your support and prayers.

This month of February was a blessing for us despite the problems that our country has. We continue working for the salvation of many.

Thanks to my Lord in this month my nephew Eladio Samuel was baptized, last month two of my nieces were also baptized for the glory of God.

Also this month, visit the brothers of the Church of Christ who meet in San Juan to help them in evangelism and teaching

The month of March was also a great blessing. Two new souls were baptized for the glory of God.

Baptisms in March

Baptisms in Bautismo in February, my nephew.

Also, we thank God and you for helping us with the purchase of the printer, we are already printing some booklets to evangelize and some studies for the discipleship of our congregation and others

I ask for your prayers for our country, so that things improve and the Lord takes control.

I ask you to pray for my health and that of my family, for the Lord to heal us, I have been a little sick.

I ask your prayers for the church its growth and unity.

Thank you dear brother, God multiply you and bless you.
