

Greetings in the precious name of our Lord Jesus Christ, by the grace of God we all are doing good and we do hope the same from you all.

The work of our Lord is prospering well in all the areas of our participation. Apart from my regular work with the local church in Hyderabad I have preached in several churches in another state.

MAY> on the 8th my self and my wife and my daughter traveled to the town called Amallapram to perform and to preach in the wedding of our church member, from next week they both will be attending our church

On the same day evening, I preached in the gospel meeting at another village called the church of Christ at Chinthavarri pallam.

This town is 600 km from my home town it has taken 9hours to reach this place.

On the 15th traveled to the place called Adavipeta to preach in the house dedication service. The owner of the house is brother Francis who is a preacher in Mumbai .this place 650 km from my home.

On the 23rd preached in the wedding at Pulmaddi church of Christ. Brother Rufues is working with this Church. On the same evening traveled to Siripuram and preached in the Thanksgiving meeting, brother Pochaiah is working with this Church.

I once again express my thanks to all the elders and members in the Church for your prayers and encouragement of support.
Attaching some photos of the above-said work.

In His service,
