July 2019 report.

Beloved brothers

My fraternal greetings to all of you and the July 2019 report to tell you about the work I am doing in the preaching of the gospel in Chile and South America.

First, I inform you that the church of Christ in Limache, where I develop the work of an evangelist, faithfully perseveres the Lord. We are presenting several lessons to encourage the brothers in their service to our God. We continue studying the Gospel of John and also study Paul's letter to the Romans.

Always the brothers Rubén Toledo, Nelson Moraga, Rodrigo Acevedo and Emilio Acevedo Jr., provide a great service to the Lord in teaching. This allows this server to work with other churches in Chile and neighboring countries teaching the blessed Word of God.

I always keep the job of recording video Bible lessons to send to several brothers in Chile and other countries. This effort results in helping small groups of brothers who do not have permanent preachers.

On July 3 we have completed 44 years of marriage with Inés my wife. We are very grateful because our God has kept us until today and allows us to work in his kingdom.

## **PREACHING TRIP IN ECUADOR.**

The morning of June 28 at 10.30 I arrived in Ecuador, I met with brother Angel Barreno, evangelist of the church of Christ in Ambato, who was my preaching partner in the 17 days I stayed in Ecuador.

On June 28 we begin our work of teaching the word of God with the Garcia family.

On June 29, we met at the house of Sister Amparito López with a group of 12 people (brothers and unbelievers) where I presented a Bible lesson. The people listened carefully to the preaching of the gospel.

### **Christ Church in Guayllabamba, Ecuador.**

On June 30 I was presenting the biblical teachings, in the morning and in the afternoon, with the church of Christ in Guayllabamba, located 115 miles from Ambato, the city where I was staying. It was very pleasant to be able to teach the word of the Lord with these brothers who expressed their gratitude and brotherly love for the effort made to reach them despite the distance.

### **Church of Christ in Puyo, Amazon of Ecuador.**

On July 1, 2, 8 and 9 we traveled to the city of Puyo, 65 miles from Ambato. Puyo is in the Ecuadorian Amazon, there is here a group of brothers who serve and love our Lord. The brother Ángel Barreno travels every Tuesday to teach the word of the Lord with these brothers. We meet with the brothers to share the gospel by encouraging the saints with different biblical themes. We also visited the houses to advise and encourage the brothers. The most striking case is that of the family of Edison Sailema, a 37-year-old brother who is paraplegic because of an accidental fall. Remember in your prayers these brothers who fight to save their souls in these remote lands.

In this church, our brother Ángel Barreno preaches, who does an excellent and selfless work for our Lord throughout this area, supporting and teaching the word of God in various congregations. They were several biblical themes that I shared with the brothers, pointing to spiritual growth and faithful perseverance. The very grateful brothers said they had been strengthened in the faith.

### **Church of Christ in Pillaro, Ecuador.**

On July 12, 13, 14 I was working with the church of Christ in Pillaro, this place is located 15 miles from Ambato. It was very good to be with the brothers here and present Bible lessons and encourage them in their service to the Lord. Don't forget to remember these brothers in your prayers.

Here I concluded my preaching trip in Ecuador. It was 17 days of hard work with Brother Ángel Barreno who accompanied me every day in this work of teaching and encouraging the brothers. The work we do is very encouraging for the churches we visit, as special meetings are scheduled, and the brothers take new strength in the service of our Savior.

Beloved brothers I appreciate your prayers and constant support in my work of preaching the gospel in Chile and South America. Our God who sees the effort and work we do for the good of his work and will reward our work that day.

Don't stop praying for the evangelistic work I do for the glory of our Lord.

His brother in Christ,

*Emilio Acevedo.*
