June 2019 Report.

My dear brothers in Christ.

Once again, I have this opportunity to write to tell you about the work I am doing in Chile, this time I write to you from Ecuador where you find me working in the teaching of the blessed Word of God.

The month of June I was teaching in the church of Limache issues of marriage and other topics to encourage the brothers in their service to our God. We continue to study the Gospel of John, we are in chapter 13 and we also study the letter to the Romans, we are in chapter 8.

Always the brothers Rubén Toledo, Nelson Moraga, Rodrigo Acevedo and Emilio Acevedo Jr., render a great service to the Lord as to the church in Limache. This allows this server to work in teaching with other churches in Chile and neighboring countries.

I maintain the work of recording Bible lessons on video to send to several brothers in Chile and other countries. This effort results in help to small groups of brothers who do not have permanent preachers.

Baptisms.

As I have related in previous reports of the studies of the bible that I have with Erik Ramírez and Estefany Ramos. For three months they were visiting the church meetings in Limache, they lived in free union (fornication) and they asked me to teach them about marriage, after several studies on the subject they recognized their mistake and they got married, they asked me to do them a ceremony to make their vows before God. Three days after this, the day we got together to study the bible, they decided to obey the gospel and baptized them for the forgiveness of their sins on June 26. We glorify God for these new souls who decided to obey the gospel of salvation.

Preaching in Ecuador.

On June 28 I arrived in Ecuador, I met with Brother Ángel Barreno, evangelist of the church of Christ in Ambato, who will be my preaching companion in the 17 days I will be in Ecuador. I have a ticket back home for July 15. Your prayers are of great help in this work that we do in the churches of Christ in Ecuador.

My beloved brothers: I deeply appreciate the effort you make to support my gospel preaching work in Chile and South America. Our God who sees the effort and work we do for the good of his kingdom will reward, that day, our efforts and dedication. Do not stop praying for the evangelistic work that I do for the glory of our Lord.

Your brother in Christ,

Emilio Acevedo.

“Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified...”
